# 2012 International Energy Conservation Code (International Code Council Series)

## Synopsis

For the most current information on energy conservation code requirements, refer to the 2012 INTERNATIONAL ENERGY CONSERVATION CODE. This highly beneficial resource fosters energy conservation through efficiency in envelope design, mechanical systems, lighting systems, and through the use of new materials and techniques. With this comprehensive and cutting-edge coverage, it is a critical component of a user's code books. Check out our app, DEWALT Mobile Pro. This free app is a construction calculator with integrated reference materials and access to hundreds of additional calculations as add-ons. ## Book Information

Series: International Code Council Series

Paperback: 90 pages

Publisher: ICC (distributed by Cengage Learning); 1 edition (July 11, 2011)

Language: English

ISBN-10: 160983058X

ISBN-13: 978-1609830588

Product Dimensions: 10.9 x 8.4 x 0.5 inches

Shipping Weight: 13.6 ounces (View shipping rates and policies)

Average Customer Review: 4.7 out of 5 stars 14 customer reviews

Best Sellers Rank: #635,839 in Books (See Top 100 in Books) #59 in Books > Law > Business > Construction #59 in Books > Crafts, Hobbies & Home > Home Improvement & Design > Energy Efficiency #100 in Books > Engineering & Transportation > Engineering > Reference > Architecture > Codes & Standards

## Customer Reviews

New in the 2012 IECC® A comprehensive set of changes includes measures to improve the thermal envelope, HVAC systems, and electrical systems of residential buildings up to three stories in height. Commercial enhancements include required energy savings for windows, doors, and skylights; thermal envelope efficiency; and increased efficiencies for installed HVAC equipment.

ICC is a leading organization dedicated to developing a single set of comprehensive, coordinated national model construction codes. To date, 48 U.S. states have adopted various international codes from ICC.

this book will help you more safety code, and easy learn and will help project to use .I would like to say thank you all school

now i need the 2015

I bought this for the tables and some of them are not readable, such as C402.2. However, Kindle was the best choice because of the number of devices you can use it on.

The book was awesome, it was just what I wanted. Thanks for the great service. I will be using you in the future

exactly what I needed at a great price for school

Brand new book, as advertised. Had everything in it that I needed for work. Will buy the next one when it is adopted.

The book is ok

all was good with transaction
