"... packed full of fun and adventure with Winnie-the-Pooh and all his friends in the Hundred Acre Forest... a wonderful dramatisation of Winnie-the-Pooh..." -- Parents News 20000112

AA Milne was born in London and lived from 1882-1956. He was the successful author of plays and books for children and adults, and is best known for his Christopher Robin stories - Winnie-the-Pooh, The House at Pooh Corner, When We Were Very Young and Now We are Six.

Our family adores the original Winnie the Pooh. These are top quality recordings.

This performance is stellar and our whole family enjoys listening to it. Gentle enough for bedtime but entertaining enough for long drives, too.

I bought this for a friend of mine's daughter, and I will be purchasing a copy for my own daughter when she is a little older. I love the dramatic re-enactment. They got a great cast of people to do the voices. What a pleasure to listen to.

We really enjoy this audiobook (as well as "The House at Pooh Corner"

My 4 year old son loves this double CD. The voices of the characters are wonderful. The stories are true to the books and very entertaining. When it is my son's turn to choose what we listen to in the car, we end up listening to these CDs. We have owned them for over a year and he continues to request them. Highly recommended.

A wonderful narration of the children's classic by Judi Densch, Stephen Fry, Geoffrey Palmer, Jane Horrocks, and others. Highly recommended!

as expected, no frill but good

I bought this for my grandson. He loves it.
