# Great Cloud Of Witnesses Speak: Old And New

## Synopsis

Speaking to saints from heaven might be rare, but in these times, more and more people are starting to experience it. In biblical times, Jesus had a conversation with Moses and Elijah on the Mount of Transfiguration recorded in Matthew 17:1-9. Then, in Matthew 27:50-53, as Jesus died and the temple veil was torn, Scripture records in verse 52-53, "...and the graves were opened and many bodies of the saints who had fallen asleep were raised...and coming out of the graves after His resurrection, they went into the holy city and appeared to many...."We are living in times where known prophets are speaking of encounters they have had with departed saints. For many years, Matthew has been having visitations, and more recently, Jesus commissioned him to interview five saints that the Holy Spirit brought to earth. These saints, part of the great cloud of witnesses mentioned in Hebrews 12:1, all answered the same nine questions. These included: \* How do you feel being here to speak to the world today?\* What do you think is special to God?\* What do you like about heaven?\* What keys do you consider important for the Christian life?\* What message do you have for this generation?Read these interviews and the answers from the saints. Come to know these biblical characters in a new and fresh way. Let them speak to you of the God they love and the Jesus they worship. Read their perspectives on the life they lived on earth and the one they now live in heaven. The saints interviewed in order of appearance follow: Bob Jones; John Paul Jackson; Madame Jeanne Guyon; Joseph, Jesus's father; and Joseph, Jacob's son.

## Customer Reviews

I am so impressed with your honesty about yourself, and your hunger for God. I have been a Christian many years, but your insight about God and Jesus amazes me. God with Jesus and The Holy Spirit seem like good friends I think the entire body needs this. Thank you.....

A book I could not finish. but maybe later

This book has blessed me, to hear from Joseph and others with such wisdom and understanding from God. Their personal testimonials is remarkable. The love they have for us is very touching.

Reading about Saints who have died and gone to Heaven and hearing what they think in their own words is mind boggling in all the best ways! So many of us only have surface knowledge about the lives and personalities of Bible characters, so to see evidence of who they are through an interview process is quite enlightening! I have met John Paul Jackson at least twice in his early years of ministry, and his voice in this book was very consistent with the one that heard some years ago. I also loved hearing the heart of Joseph, earthly father of Jesus. We can't even imagine what it would have been like to live in this man's shoes. I highly recommend this book if you want more!

If you are insatiable in your hunger for God and His Son Jesus Christ this new book is for you. Every book from Matthew Robert Payne has so clear in main focus that the personal relationship with Jesus is number one. No doubt: Matthew's best friend is Jesus! When it is about speaking with saints you are on secure ground with Matthew! Jesus first and anything else is a kind of reward. In this book saints from Heaven like Madame Gouyon and Josef, father of Jesus, touched me deepest. Madame Gouyon because she so burns of love to Jesus. Josef touched me because he humbly regarded and understood his son and was in line with his Father in Heaven. Later on father God praised Josef for his job as an earthly father. Amazing! I highly recommend this new book from

Matthew Robert Payne.

This was an amazing book to read. I enjoyed reading what each cloud of witness has to say, the instructions they gave, as they were describing God, Jesus, and the Holy Spirit, my heart was filled with love and adoration. This book made me want to be a better Christian a true follower of Christ. I want to be everything Christ has created me to be. Thank you so much for sharing. It gave me a new perspective on life and on and how I want to live my life for Jesus, hearing God's voice and being lead by the Holy Spirit. Thanks again

Let me just say that this was a refreshing read. There were so many topics covered in this book: How hearing from God is important The importance of obeying Jesus's commands The value in knowing what you are to do on earth The character traits that are special to God and more The saints, both new saints from the past few hundred years and Biblical saints, speak plainly to Matthew about the Christian life and what he needs to do to improve his. The message is vital and relevant to all people, yet reading the book is like listening in as Matthew received divine counselling. It is very refreshing to hear the saints speak about the fundamentals like two-way prayer and put such an emphasis on it and well as other topics. I could sense the different personalities among the saints, especially the motherly counsel that came from Madame Guyon for Matthew. This book was a treat and well worth reading. Like the messages in Paul's letters was for people in a specific time and place, and they are still relevant to us today, so too the messages the saints share in this book, even when its personal advice for Matthew, can be vital for the readers. I enjoyed this as well as his first book about the Great Cloud of Witnesses. I am a fan of all Matthew's writing and I own about 15 of his books.

Bought it today thought I would read a few pages could not put it down read the whole book Great teaching and advice from the writers Will be re reading it and marking scriptures to meditate on I highly recommend this book to others Very informative but not easy to put down thanks Matthew another great book.
