The Grandfather Cat (Cat Tales Book 7)

Synopsis

Nadia, a busy professional realtor, is excited to land a new listing: a quaint older home that she hopes will sell quickly. But after a hasty cleanup effort, the owners leave something important behind. And Nadia, already overburdened with work, must now deal with a bad-tempered, unwanted old cat. CAT TALES is a series of short, stand-alone fiction celebrating the human-animal bond, from award-winning author Linda Benson. They can be read in any order.

Customer Reviews

This was a delightful story, but way too short. I'd liked to have had a bit of the interaction between the cat and its new owner. While reading it, I sadly remembered the loss of our Blue Point Siamese who lived with my wife and me for over 15 years. He was the most gentle cat we'd had of late, was a good lap sitter and was not afraid of strangers. He died a month or so ago, and I shall miss him for as long as I live. At 88 years old, it's not likely that I shall have another cat/

I REALLY LIKED THIS STORY. SOMETHING ABOUT AN ABANDONED OLDER CAT. IT WAS

VERY SWEET.

This old sad kitty and his new owner were both rescued by love in this short sweet story. I thank God for the people who love and rescue animals who need love and a warm him.

Great book! Good for cat lovers! Well written and interesting! Read it in one sitting! Great for cat lovers.

First thing I didn't like was it was not long enough could have read all night it was so good would have liked more

a wonderful story! it almost broke my heart! I hope someone will love my cat like that! she is precious!

I adored this book and read right through it. I'm a cat person who is partial to Siamese cats so the cover alone sold me. I also help rescue animals particularly cats so I enjoyed Nadia's change of heart. I'll be reading all of Linda Benson's books.

An intricate fast moving tale of a high powered realtor and problems the last of which she comes across a n old cat no[one wanted and her final solution. Tears.
