101 Things To Do With A Potato

Synopsis

One potato, two potato, three potato-four! Introducing the next book in our thriving 101 series, 101 Things to do With a Potato. Each year, the average American consumes close to 140 pounds of potatoes. With that in mind, nothing seems better than a cookbook featuring one of America's major food staples-the potato! "Mrs. 101" Stephanie Ashcraft has ingeniously created simple recipes that take potatoes to a whole new level. Try a Breakfast Burrito in the morning, sample the Sausage Corn Chowder for lunch, have the Italian Potato Chips as a mid-afternoon snack, for dinner try the Potato Crust Pizza, and then savor the Sweet Potato Cheesecake for dessert! Stephanie Ashcraft, author of the New York Times best-selling 101 Things to do With a Cake Mix, is a full-time mom who has created and collected recipes for years. She also teaches a monthly cooking class for Macey's Little Cooking Theater in Orem and Provo, Utah. She is currently living in Provo, Utah, with her family.

I bought these cookbooks for a 14 year old young man that I am mentoring in the Big Brother program. Every young man needs to know how to cook before they leave their Mom's home. You can only eat at McDonald's so many times. Easy recipes with simple ingredients, with clear instruction on how to make each recipe

this is a fantastic series of cookbooks!!! I was totally thrilled with all of them!!! "101 things to do with..." great gift ideas too!!!we are all used to using the same recipes over and over...great new ideas...

Love this cookbook.

I bought this as a bridal shower gift for my friend who was getting married to a man from Idaho. She loves it and said that she uses this cookbook at least once a week. Her mother-in-law even wants one.

I personally love this book, potatoes are a must in this family and it helps to have lots of ways to cook them. I would recommend this to everyone.

When you're bored with the same old baked potato, open this little gem and everyone will be happy with the results! A good item for college kids or anyone on a tight budget who wants to be creative. My grandkids love to pick out a recipe for me to fix!

now all I need are some potatoes... boil'em, mash'em, stick'em in a stew.

Wish there were pictures of dishes
