# Sweet, Sweet Singletrack

## Synopsis

Readers of Sweet, Sweet Singletrack take an adventurous journey with two young mountain bikers as they roll over the hills, creeks and cliffs of northern Minnesota. Along the way the riders stop to say hello to hikers as they pass, slow down for a doe and fawn, take a water break next to the river, and admire a freighter from the cliffs high above Lake Superior. Sweet, Sweet Singletrack shares an important and necessary story about trail culture within a continually growing mountain biking community. Bold, colorful acrylic paintings beckon the viewers down the winding path, leading young riders by example. The book ends where it begins, with an invitation for a bike ride. Hey! You ready?
