Since 1973, Rick Steves has spent about four months a year exploring Europe. His mission: to empower Americans to have European trips that are fun, affordable, and culturally broadening. Rick produces a best-selling guidebook series, a public television series, and a public radio show, and organizes small-group tours that take over 20,000 travelers to Europe annually. He does all of this with the help of a hardworking, well-traveled staff of 100 at Rick Steves' Europe in Edmonds,

Washington, near Seattle. When not on the road, Rick is active in his church and with advocacy groups focused on economic justice, drug policy reform, and ending hunger. To recharge, Rick plays piano, relaxes at his family cabin in the Cascade Mountains, and spends time with his partner Trish, son Andy, and daughter Jackie. Just got back from Spain and totally relied on this guide book while there. We've used Rick Steves guides all over Europe and have never been disappointed.

we always get Rick Steves books, maps and audio guide whenever we travel to Europe. they are a must to make your trip time efficient and finding all the places that most tourists and even locals don't realize are there.

It's always a pleasure to peruse these travel guides!

Would definitely recommend Lonely Planet guides as they are a bit easier to read to seem to be better suited to quick reference of site times, costs, etc.

WE watch his shows on public television every night and decided to buy some of his books

great books all his books are wonderful.

Rick Steeves is awesome - used his books on multiple travels and looking forward to touring Spain.

Will always buy his books when traveling
