Synopsis

You are making decisions out of fear, not out of logic and reason¢â ¬Â|Beautiful and sophisticated, Roxanne Rigby is NASAââ ¬â,,¢s new Ambassador of Alien Relations $\tilde{A}\phi\hat{a}$ $\neg\hat{a}$ which means it $\tilde{A}\phi\hat{a}$ $\neg\hat{a}$, ϕ s her job to deal with the very creatures trying to destroy her and her planet. She is a young, inexperienced woman, but she is determined to do her part and save humans everywhere from decimation. Dane, better known as Elder De¢â ¬â,¢inde to his loyal warriors, although new to his leadership role, despite being the descendant of a long line of Aââ ¬â,,¢li-uud Elders, he exudes the natural confidence and unyielding dominance required for the position. With only one Elder on Earth for Roxanne to negotiate with, it is up to Dane to decide the fate of humans. With an abundance of opposition for her cause from the aliens, as well as a lecherous human General, it doesn \tilde{A} ¢ \hat{a} $\neg \hat{a}$,¢t take long for her to realize there may be no hope for humanity after all $\tilde{A}\phi \hat{a} - \hat{a}$ and that the end might be at Dane¢â ¬â,,¢s hands.Will Roxanne be the saving grace without condemning herself to an emotional death? Dane: A Paranormal Scifi Alien Romance by Ashley L. Hunt is Book 3 of the Albaterra Mates series and an Alien RomanceDane was made $A\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ li-uud Tribal Elder, king of the Montemba kingdom on the planet Albaterra when his brother, the previous Elder, transferred the Elder role to him. Dane is now in charge of the offensive on Earth and gets captured, along with some of his warriors. New Ambassador of Alien Relations Roxanne Rigby has been given the task of negotiating a peace treaty with the leader of the $A\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ li-uud. Roxanne's interaction with the handsome Dane leaves her insides twisted and she can't stop fantasizing about him. Dane is enchanted by the curvy and beautiful Roxanne and can't stop thinking about her. Dane is allowed to return to planet Albaterra with all his warriors to discuss the peace treaty with the $A\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ li-uud Council but Roxanne's belligerent boss General Rodney insists on he and some soldiers join them. Dane agrees on the condition that Roxanne accompanies them. Things are complicated when Dane lands with humans on board. Dane's brother Duke believes that Dane's feelings for Roxanne has clouded his judgment and condemned the $A\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a},ϕ li-uud to death. General Rodney's demands has him. Dane and Roxanne summoned before the Council. whose priority is the safety of the $A\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ li-uud. A passionate Roxanne pleads her case for peace before the Council, who had voted to invade earth and exterminate the humans. What will

the Council decide? Dane is action-packed, suspenseful, and steamy. Ashley L. Hunt has created an exciting alien world full of engaging characters for a book I could not put down. I highly recommend this book.

I liked this book alot more than the last one. Dane is Duke's brother. When Duke left Earth he turned his leadership duties over to his brother. When Dane and his men are captured and locked up there is an attempt made to broker a peace deal. Roxanne has the new position of Ambassador of Alien Relations. She has never actually met one of the aliens, only seen them on television. When she sees Dane for the first time she is awestruck. He is chiseled perfection. She does her best to ignore the attraction, but he seems to be similarly attracted to her. Dane's initial reaction to the peace talks is a big "hell no." When he is thrown back into his cell he is astonished that his biggest worry is that he won't see Roxanne again. When they finally meet again he presents his demands for the peace process. These include a ship to take them home. Roxanne can't believe that Dane's demands are met. She Aldo can't figure out how she ended up on the space ship headed to his home world. And why is he ignoring her? I resisted the urge to read ahead to Lokos' story, the beginning of which is included at the end of the book. I would just be mad that I had to wait for the rest of it!

The next installment of the Albaterra Mates series picks up right were Duke leaves off. Dane, Dukes brother is now Elder and in charge of the destruction of the human race. He and his warriors are captured, where he meets ambassador of alien relations, Roxanne Rigby. Instant attraction on both their parts. Earth has a peace treaty ready to be signed. Can the ambassador convince the Albaterrian councils members to go for it? Can Dane and Roxanne 's differences keep them from following their hearts? This is a wonderfully written book about two species with differences that paranoia runs away with instead of caution and trust. Her characters are lovable (or hateable!) It is a stand alone but you will understand better if you start with the first in the series as some points follow in all books. I voluntarily reviewed this book as an ARC and can't wait for Luke to be out!

As with any series, a devout fan is invested in the on-going main conflicts, story-lines, and epic journey the author will lead you on. Ashley Hunt does not disappoint with Dane, the third in the Albaterra series. This wonderful telling expounds on Albaterra $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} , ϕ s legacy while entwining the lives of the main female and male protagonists. Author $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} , ϕ s depiction of world building is fluid and vivid. I liked this author $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} , ϕ s interesting duplicity of two sides of the coin she shows in this tale. I particularly liked both main characters intelligent, strong willed,

very observant, brave, confident, and progressive natures. Their love story is intense, fast paced, passionate and not without conflict. While it is enriching to read Rex, Duke, and any other previous tales Ashley hunts has released in regards to the $A\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a},ϕ li-uund race, it $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a},ϕ s not essentially needed to enjoy this book. Ashley Hunt drops you right into the action, then within moments and scenes there is a true understanding of the past, present, and future journey. You $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a},ϕ re engrossed in the tale, eagerly awaiting what $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a},ϕ s coming next, and praying for a good outcome.

You know, the only bad book is a book you never openedAnd i opened it and to my surprise I loved this story. I find alien romances fasinating. I love how Ashley Hunt uses word to make me visualize her story. The only problem i had was i wish there was more. I always hate when a good story ends. But knowing another story from Ashley is on its way is what keeps me reading. It only took me a couple hours to read but it was well worth it. Enjoy it. I did. Can't wait to read more. Great job Ashley! $\tilde{A}f\hat{A}$ \tilde{A} \tilde{A} \tilde{B} \tilde
