Adventuring Through The Bible: Old Testament

Synopsis

Adventuring through the Bible: Old Testament brings the stories, concepts, and themes of this part of the Bible to life through full-color images and insightful commentary. Even if you're familiar with Old Testament stories, this book will broaden your understanding of how all of Scripture connects. You'll even see how everything in the Old Testament—from original sin to the prophecies—points to Christ as our savior. This handy paperback makes a great resource if you're a pastor, a small group leader, or simply a student of the Word.

Customer Reviews

Revised and Expanded Edition Trusted author Ray Stedman presents an easy-to-understand and comprehensive look at Genesis through Malachi in *Adventuring through the Bible: Old Testament*. Packed with charts, maps, timelines, and photographs, this paperback is a great tool for digging into and really understanding the history and message of the Old Testament. The revised and expanded edition of *Adventuring through the Bible* also includes: Study and discussion guides for every book of the Old Testament Personal application questions Bible reading plans (through the Bible in one or two years) Even if you're familiar with Old Testament stories, this book will broaden your understanding of how all of Scripture connects. You'll see how everything in the Old Testament—from original sin to the prophecies—points to Christ as our savior. This paperback is a great resource for pastors, small group leaders, or simply students of the Word.

Ray C. Stedman (1917–1992) was one of the great pastors, expositors, and spiritual leaders of the twentieth century. A graduate of Dallas Theological Seminary, he was pastor of the Peninsula Bible Church in Palo Alto, California, for forty years. With over twenty books to his credit, from *Spiritual Warfare* to his insightful commentary *Adventuring through the Bible*, Stedman spanned the experiences of the Christian life with his writing. His book *Body Life* had a tremendous impact on the church in the twentieth century.

Ray Stedman's review of the Old Testament Books are well worth reading for an insight into their relation to the New Testament. His theology is right on the mark. I definitely recommend this book along with his *Adventuring Through the New Testament*. These books will make you want to read your Bible.

If the Old Testament is a boring collection of "begats" and crusty and dusty old patriarchs to you then I suggest you give this book a reading. Ray breaks open the Old Testament and shows how every character in the Old Testament was a real and frail human being, with fears, doubts and trouble just as we have today. Ray flows broad themes running through scripture rather than focussing on individual books or verses. The Old Testament is a living book for me now!

Very smartly written for the layman. Easy to understand. Chock full of insight about the word of God. Definitely recommend for those who really want a clear understanding about God's word.

Hadn't read anything by this author before and it was really good. Similar to a commentary but not the format of a commentary. Does not follow verse by verse or chapter by chapter but over view of the Testament is very well done.

This is a very good reference book for anyone who wants to know the Bible better.

I'm so looking forward to being able to take this with me on my iPad Pro. I enjoy reading the full book (old and new testaments), however, it can be unwieldy to hold. This way I can read it anywhere I like.

Easy to understand narrative. Clear and logical breakdown of the flow of each OT book. And great

insight into how the OT points to and supports the NT gospel of Jesus Christ

This is a good reference book
