## Customer Reviews

Sorry thought I was purchasing the Cuddle Buddies Hat patterns. Will not use the stuffed animal patterns.

There is nothing more fun than making a cuddle toy for a child. Kirstyn's design are fun, cute and great for both girls and boys. The brilliant thing is the instructions are so easy that even a beginner can make them. The patterns are easy to sew and the one basic pattern makes all of the different animals. You can sew a puppy, panda, piggy, rabbit & kitty. You embroider the lovable faces and the felt appliques make their faces come alive. The pack holds full sized patterns so there is no need for you to increase and copy the patterns. The finished super cute animals are 18" tall so are a

perfect size for any child. The softies would make brilliant gifts! Super cute patterns with easy to follow instructions! I received this item/product in return for my honest review.
