Customer Reviews

I received books 1-10 instead of books 1-9, but there was no box for the set and a few of the bindings were scuffed and torn. Very cute set, and I'm sure the little girl I gave it to won't mind, but I would have really liked them to be in a box, which is why I ordered this set instead of Junie B Jones or Ivy & Bean.

my 8 yr old daughter loves this set, in her words:It is very detailed. Uses very complex language. It's full of happy thoughts. They are full of adventures, and full of frogs.

great books for my 7 yr old granddaughter - she loves them

My little one loves these books! Highly recommended. Great books for a child. Once they start on

the first book they will not want to put it down. Arrived on time and package was not damaged. Great deal. Why stop at book #1 when you can buy a set! Highly recommended for the little book worm in your family

My granddaughter loves this series of books! This is the best price I have seen for the set.

Perfect gift for my granddaughter, she loves these books.

Bought these for my 8 year old daughter who is a voracious reader and she absolutely loves them!
