Language: English

ISBN-10: 3944351436

ISBN-13: 978-3944351438

Product Dimensions: 5.8 x 0.7 x 8.3 inches

Shipping Weight: 1.1 pounds (View shipping rates and policies)

Average Customer Review: 4.0 out of 5 stars 1 customer review

Best Sellers Rank: #567,547 in Books (See Top 100 in Books) #76 in [Books > Engineering & Transportation > Transportation > Ships > Repair & Maintenance](#)

Customer Reviews

Overall, this is a good service manual. It includes most of the procedures for servicing and/or rebuilding naturally aspirated Yanmar JH3 series motors. The procedures are well ordered and organized; and, generally, provide sufficient detail to complete each task. Limitations: 1. This is a service manual, not a parts list. It does not contain part numbers or significant parts related information. If you need detailed parts information, you will need to procure the Yanmar Parts List for your motor. 2. The print quality is mediocre; and, if you are older, be prepared to use your reading glasses and/or a magnifier. 3. The spelling is often suspect; however, the spelling issues are probably attributable to translation incongruities
