The Cuyahoga Valley National Park: A Photographic Portrait

Synopsis

Photographers Ian Adams and Jim Roetzel have been exploring the Cuyahoga Valley through the lens for more than a quarter of a century, and offer this book as a celebration of the natural and historical wonders of this precious green space between Akron and Cleveland, Ohio. For those who know the area well we hope the book will evoke memories of pleasant times spent in the Cuyahoga Valley, and perhaps reveal a few new ones as well. For those who have not visited the national park we hope that the book will open their eyes to the beauty, history, solitude, and recreational opportunities offered by this northeast Ohio treasure.
