# The Unlikeable Demon Hunter: Sting (Nava Katz Book 2)

## Synopsis

The Unlikeable Demon Hunter: Winner of the 2017 Raven Award for Favorite Urban Fantasy. 50% boobs. 50% sarcasm. 100% new breed of hunter. After a bumpy start as the only female demon hunter in the top secret Brotherhood of David, Nava Katz heads to Prague for her first undercover mission: unmasking a demon movie star. She'd be all kinds of thrilled if it weren't for the fact that her fellow hunter-with-benefits, Rohan Mitra, has reclaimed his rock star status and assigned Nava the role of groupie. Rejecting her "be a good girl and follow orders" directive, Nava unleashes an alter ego guaranteed to hook their celebrity target and drive Rohan crazy. No downside-until she finds herself up against Rohan's past, the Brotherhood's antiquated thinking, and her own identity issues, turning her personal life into a bomb that could blow up the entire operation. Sparkly and deadly; it's a plan.

## Customer Reviews

Unique storyline with superb worldbuilding. Nava the first female Rasha, a demon hunter by quirk of getting her twin brothers magic at his induction ceremony, leaves for Prague with Rohan and Drio to trap a demon. A clandestine trip to a person who can help her get her brothers magic instilled in him, has repercussions and a demon attack. This is an incredibly good paranormal. Great protagonist, snarky dialog, fast action paced story, hot build of a love story, angst. Wow, great twisty! Ending had a little cliffhanger. Best beginning of a book I've read in a long time. I voluntarily reviewed an ARC of this book.

I loved the first book in this series and I hoped I would enjoy this one as much - I did! I was immediately pulled back into Nava's crazy action-filled life. I couldn't put the book down until I finished it. Nava is someone I think many of us would like to be. Snarky, sexy, strong, smart, she's got it all and the guys she "works" with are great too. Can't wait for the next one!

Wow...just wow. I loved the first of this series and was hopeful the second would be just as good. Holy Bananas it was better. My emotions were all over the place. I absolutely loved the ending. I'm not getting paid or receive free copies but I beg you to please please give this series a read. You won't be disappointed.

Great flow from book 1. It's like you took a breath and bam!, back into the story. Nava's wisecracking and fearless approach to demon hunting is fantastic. I'm loving this series and I can't wait to read the guy's POV. Thanks Deborah. Schmoogs!

Loved the first one and lol'ed at the second one! Will definitely recommend it! Really enjoy the style it was written in and the humor in the stories.

I can't get enough of this new series! It fun, its fresh and it's so very, very exciting! What more could a good Jewish girl want? Add in the steamy romance and it's a winner in my opinion.

Even better than the first book, which I loved. Can't wait for the next book in the series.

Couldn't put it down till I finished it. Definitely a wild ride that keeps you coming back for more! Full of action with romance. Can't wait for book 3! Would definitely refer to family and friends!
