# Edinburgh Travel Guide (Unanchor) - The Best Of Edinburgh: A 3-Day Journey From Tourist To Local

## Synopsis

The Best of Edinburgh: A 3-Day Journey from Tourist to Local Welcome to Edinburgh – Auld Reekie, the Athens of the North, the City Built on Top of Seven Hills! It's the birthplace of economics and Harry Potter; the summer hangout of the Queen; the home of the Stone of Destiny, Dolly the Sheep, and deep-fried Mars bars. Edinburgh is a bona fide gem: it encapsulates Scotland's progressive past, presents world class art and entertainment, and offers a glimpse at the nation's rugged landscapes (bonus: best enjoyed from extinct volcanoes that loom over the city's horizon). What does this Edinburgh itinerary include and who is it for? This itinerary is designed to help you make the absolute most out of your time in Edinburgh. Using a local perspective means you save money where you can – "free" is a word used frequently in this guide – so you can indulge where you should. You'll be invited to high tea at the swankiest hotel in town, and then feast your eyes on breathtaking views overlooking Salisbury crags – and that's just one afternoon. If you're keen to enjoy famous art, live music, dynamic history, tasty food, quirky tales, and hillside hikes then this is the guide is for you! Join me on a three-day tour that captures Edinburgh's best, by day and by night, and beckons you to explore the mysterious treasures tucked away in its nooks in crannies – where the magic awaits. About the author of this guide: Working as a certified historical guide in Edinburgh's Old Town, it is my privilege and pleasure to share a true local's experience and make each visitor feel at home in the royal heart of Scotland. Packing tips for Edinburgh from the author: - Warm clothes and comfortable shoes (public transportation is not necessary to explore one of the most compact and walking-friendly cities in Europe) - Raincoat (the rumors are true, though rainstorms tend to be brief showers with rainbows often following suit; it's also a windy city, so save your umbrella) - Camera (whether you're an expert or a novice, the frequently changing light and weather offers exceptional photographic opportunities) Guarantee At \$5.99, the itinerary will pay for itself the first time you follow my advice on dining and traveling destinations. If you are unhappy with the itinerary for any reason, provides a full refund. What are you waiting for? Go get this itinerary and start exploring Edinburgh.

## Customer Reviews

Excellent information! I have exactly 3 days to spend in Edinburgh and this guide is really going to help me optimize that time. I appreciate the added tips about places to eat, plus the fun facts about historic locations.

Haven't been yet but this has given us some good ideas

I brought this guide before our trip to Edinburgh as I wasn't sure what there was there to see (other than the castle). This guide is full of interesting history, local tips and easy to follow maps. What I like about this and all the Unanchor guides are the suggested routes and itinerary stop you wasting time dashing from one end of the city to the next, which unless you spend hours planning yourself is likely! With this really well written and funny guide, I feel prepared and really excited for our Scotland trip!

One of the best travel guides I've read! It is concise, and full of useful information and not overly wordy. I like that it includes walking time between locations, cost of admission, mini maps of the area of reference and is easy to understand.

This book really help you to get into the essence of that wonderfull town. Highly recommended!
