Sting: Moment Of Truth

Synopsis

Life was one big act for wrestling super star Steve Borden, a.k.a. Sting. On the home front, however, his marriage faltered on the brink of failure while he took the fast track in his wrestling career-and to a radical entertainer lifestyle, including an addiction to prescription drugs. Confessing his problems to his wife was the beginning of a process that brought the prideful, self-sufficient champion to his knees. It was to be the greatest wrestling match of his life, and God was taking him to the mat. God had been planting seeds in Borden's life from the time he entered professional wrestling-his brother and sisters's conversions and witnesses, his family's prayers, the witness of wrestler Ted Dibiasi-and the peace and joy he saw in the lives of other Christians. Now, the confrontation by his wife, whom he didn't want to lose, plus the fear of life without his two young sons, made his fame and fortune worthless. He was humbled. That was in August 1998. Sting became a new man in Christ and his marriage was restored. Today, he drops scriptures into conversation as easily and naturally as he once dropped opponents in the ring. He still loves a challenge, but where he once relied on a fluorescent face and shocking stunts, he now tackles each challenge with a firm faith in Christ alone.

Customer Reviews

STING (Steve Borden) captured the imagination of the wrestling world in a way that few have. A Christian since 1998, this wrestling superstar has appeared to more than half a billion people worldwide in live and broadcast events. Sting's exploits in the ring with fellow wrestling stars such as

Hulk Hogan, Hall and Nash, Ric Flair, the Horsemen, Lex Luger and many others became legendary in the world of professional wrestling. Steve and his wife, Sue, have three children.

This is a very small hard cover book. It has full color photos on many pages, a glossy cover, and cool design. Unfortunately, it is short and appears to be a promo for Sting's indie film from years ago. I am a huge fan, so I did like his story of how he became a Born Again Christian, but wrestling fans may want more inside info. He focuses on things that made an emotional memory to him, like his outside of the ring life, coming up with the Ultimate Warrior, and Ric Flair giving him a break.

I like the quality of this book and the price was great. The only complaint I have is that the book itself was a little thin and light on Sting himself. It was too vague and glossed over things rather than getting in-depth more. However, I'm not sure the actual point to this. Was it simply to gloss over his career? Or was it supposed to be an in-depth look at him? Not sure which. If it's the former, than it did its job well. If the latter, than it definitely is lacking. Shipment was fast and quality of book itself upon delivery was excellent.

Wanted an autobiography...seemed more like a kids first grade book!

I have only just stated it and I love and the message it sends :)

Awesome book! So much insight into the real Sting.

he is called sting for a reason

Very well written and heartfelt. Couldn't put it down. I've always loved Sting and this book and movie helped reinforce that love and supports my Love for God

I just love this man, so I was excited to order this book.
