Their Reluctant Bride (Bridgewater Menage Series Book 6)

Synopsis

Emily Woodhouse is a penniless, homeless widow thanks to her recently deceased husband. His gambling ways have placed her in a desperate situation. Faced with working off his debt in the basest of ways, she chooses instead to accept Tyler and Xander's unconventional marriage proposal. She won't be marrying one man, but two. Tyler and Xander know instantly that Emily is the one for them. Not only does the widowed young woman rouse their protective natures, she knows of their customs regarding a two husband marriage. Despite the fact that Emily needs the safety they can offer, she isn't eager to remarry. She might be reluctant, but they will show her what it will be like with two men to cherish, protect and possess her. But the past catches up with them in the most dangerous of ways. Only in facing the past can they forge a future together.

Customer Reviews

I liked the little twist in this story. Instead of a virgin this woman was a recent widow. I also found the differences in the men to be interesting. Some of the stories in the series appeared to me to be following a defined outline or script. Just changed the names and a few circumstances, a new story was born. Largely the same as the others. I had stepped back for awhile. This story was just a bit different. I have been noticing a few tendencies in many stories that I will mention here because this is an example. Hopefully Ms. Vane and/or other authors and editors will notice as well. I'm speaking of telling a complete story. In writing a love story, for example. The writer, editor is so intent on the love story ending they forget to satisfactorily conclude the circumstances surrounding the couple. In this story, what went down with Ralph, the villain? The other irritation is the time line being consistent throughout the story and series. How many years was she married? We are made to think it was many years but it also mentioned just 2. Which is it? Just how old is she?

A widow in the West had hardly any options so would two husbands be the answer? Let me tell you this story came outta the gate firing on all cylinders. Hot sex making the reader weak in the knees. I loved how in this installation the author did some flashback. To me this gave you a much better understanding of the dynamic between the trio. Again not disappointed by anything in the book .

What more can be said about Vanessa's writing. Intrigue and romance with a bit of suspense. Although the marriages are unorthodox you can't discount the thinking behind wanting to protect and cherish their women. I absolutely love this series.

i recently finished the bridgewater series. it is an awesome, fantastic series. all of the books have spanking and sexy men who love their brides. wonderful author.. can wait for the next series.

Book 6 is delightful! The knights in their shining armors save the damsel in distress! In this case, a widow who has to pay her deceased husband's gambling debt. Enter Tyler and Xander who save the day. It was another fun read.

I loved everyone of the books in this series. I love the idea of 2 or more men to each woman. I would like to be cherished and protected. Just to feel that special and to be put 1st. before the men! Wow! Fast reading and good stories!

Good

What a steamy read! Seriously, this is panty melting stuff. The editing of the story is excellent and the plot is good, but I'm reading it for the emotional and physical impact. (Fans self.) I really need my own set of Bridgewater men. Think sells them by the pair?
