How To Set Up A Self-Hosted Wordpress Blog: A Guide To Starting Your Own Blog In 9 Minutes Or Less

Synopsis

No matter who you are and what your professional and personal goals are, a blog can help you get there. Sadly, most people think that starting a blog is a difficult task -- and thus it ends up falling to the bottom of every New Year's Resolution list. This year, make it your goal to go ahead and put up that website you've been thinking about. It's far, far easier than you think, and this simple guide will walk you through the exact steps to setting up a blog on Bluehost - the host I recommend. Through screenshots and specific instructions, this simple ebook will aid you in easily setting up your site in no time.

Electrical & Electronics > Digital Design #342 in Kindle Store > Kindle Short Reads > 30

minutes (12-21 pages) > Business & Money

Customer Reviews

Clear and easy to understand. Very detailed. I really liked it, but wouldn't rate at 5 stars because alot of the information can be found on line for free.

Concise, easy to follow. Embedded video augmented with step by step instructions.
