Insight Guides: Pocket St Lucia (Insight Pocket Guides)

Synopsis

Insight Guides: Inspiring your next adventure St Lucia is one of the most luscious Caribbean islands, home to dramatic vistas, sweeping beaches and a lively Creole culture. Be inspired to visit by the brand new Insight Pocket Guide St Lucia, a concise, full-color guide to this tropical paradise that combines lively text with vivid photography to highlight the best that St Lucia has to offer. Inside Insight Pocket Guide St Lucia: Where To Go details all the key sights on this idyllic tropical isle, from the colonial architecture of Castries and iconic peaks of the Pitons to Anse Chastanet, popular with divers and snorkellers. St Lucia's attractions are covered in detail, including its spectacular rainforest, fine beaches and colourful underwater treasures. Top 10 Attractions gives a run-down of the best sights to take in on your trip, including the working plantation at Fond Doux Estate and the spectacular Diamond Falls. Perfect Day provides an itinerary for one day on the island. What To Do is a snapshot of ways to spend your spare time, from watersports and cycling to walking rainforest trails and birdwatching, plus nightlife. Essential information on St Lucia's culture, including a brief history of the island. Eating Out covers the island's best cuisine. Curated listings of the best hotels and restaurants. A-Z of all the practical information you'll need. About Insight Guides: Insight Guides has over 40 years' experience of publishing high-quality, visual travel guides. We produce around 400 full-colour print guide books and maps as well as picture-packed eBooks to meet different travellers' needs. Insight Guides' unique combination of beautiful travel photography and focus on history and culture together create a unique visual reference and planning tool to inspire your next adventure. Insight Guides has spawned many imitators but is still the best of its type. - Wanderlust Magazine

Tourism to St Lucia is booming, with visitor numbers for the first half of 2014 seven percent higher than the same period the year before (source: St Lucia Tourist Board), with 208,117 international arrivals; the brand new Insight Pocket Guide St Lucia is the perfect companion.

Insight Guides wherever possible uses local experts who provide insider know-how and share their love and knowledge of the destination.

Just came back from a DIY visit to Saint Lucia and the Insight Pocket Guide was my planner. On the positive side, it is pretty, glossy and provides adequate listings on interesting sites, activities and restaurants, but all described very briefly given the tiny book size. It contains some valuable tips, like how horrid the private road to Anse Chastenat is. On the other hand, the internet/Google Maps has very weak information on Saint Lucia, so more practical information on locations of fuel stations, ATMs, and grocery stores would have been extremely welcome. The other downside of this guide is it offers almost no opinions on anything. It would have been nice to get a feel for their top choices, especially for beaches but really on anything on the island. Unfortunately, the Caribbean islands are such an overwhelmingly cruise/all-inclusive hotspot that the guide market for us DIY/independent travelers who want to really explore them is pitiful. So I doubt there are better choices than this guide.

A very thin volume that makes the assumption that you will stay in the resort towns and use tours.
Not for the independent traveler

Nice little book, Easy to read, Great map in a pocket on back cover With highlighted places to visit. Nice bits of info for each site we can visit. Just a good little travel book. I will let you know how accurate it is after the trip, so far so good!

Great book!

Got this for our upcoming trip in September - has a lot of relevant, concise information with several helpful hints on places not to miss and what to focus your time on. Also bonus app to load onto your

phone for easy access!

Great travel book and we loved St Lucia

Perfect for my trip. Book is a small pocket book and great to take along everywhere.

Very easy read with detailed and current information!
