# DUBLIN City 'Quick Guide' - Top Things To Do In Dublin On A 3 Day Weekend!

## Synopsis

When you are short on time and want a quick overview guide of Dublin City then this is just perfect!

Note: This is not been written for anyone who lives in Dublin, but more for the new tourist or visitors who is there for a few days to take in some famous City highlights and local areas around not to be missed including beach towns, please enjoy! This short Dublin City quick guide is exactly that, a short useful guide with highlights of the great City and a few main attractions worth taking a visit to.   
Covering useful information such as tours & attractions, pointers on   
Getting from the Airport to Dublin City (3 main ways at different prices to suit all budgets) to travelling just outside of the City to the lovely beaches and scenic coastal areas near to Dublin!   
Where possible approximate prices are indicated and these are accurate at time of publishing in 2013   
beyond this, not much will change!   
This guide has been written to be evergreen and timeless meaning if you read it today or in 2-5 years, the highlights are the main parts of what Dublin is well known for.   
It should be noted, this is a   
Quick guide   
and written with the view of a quick read giving you a great starting point to now Explore the adventures of Dublin. Included at the end is a map pointing out some of the main attractions mentioned within the book. I hope you enjoy this guide and the lovely sights of one of Ireland's most popular Cities.

## Customer Reviews

Going over again in April and this is by far the most compact, carry-able, and useful guide I have ever purchased. I'm already familiar with Dublin, but I've earmarked this book with tons of things I want to do, places I want to go, and pubs I want to experience. Every neighborhood is mapped and the book is loaded with information. Even after a dozen trips, I found facts I hadn't known and places I hadn't heard of. Very useful and quite a bargain price.

Did not like this. Too short and very little useful info for me. If you have just one or two days in Dublin this might be the right one for you

It tells you little more than how to get to town from the airport and tips for the Guinness and Jameson tours. At a \$0.99 price point I might not have felt ripped off. At \$2.99 I did.

Nothing I couldn't have gotten elsewhere for free. If you're going to get something worthwhile, spend more money. I guess you get what you pay for.

Useless. This feels like a guy who went to Dublin once and decided to make an App. Your hotel will have better materials for free.

I found it a good guide to Dublin. If you plan to visit Ireland do download this one. It is worth it.

As advertised

This quick guide is packed with good information on what to do while you are in Dublin. Along with tours and things to do, the author also gives great tips on transportation (always a tricky area for me) and shares some cool tips they I haven't seen in other guides. It's great to get a tourist's perspective on what he found valuable to see rather than the copy you can read in tour brochures. I would have liked more information on where to stay but appreciated his mentioning that some areas close to the bars would be quite noisy at night. If you're headed to Dublin, be sure to download this guide and take it with you.
