This book came in handy on our recent visit to St. Lucia. It was small and had great pictures. The top 10 sights of St. Lucia list was also helpful. The book was organized by areas of the Island, so it was difficult to make comparisons without flipping back and forth. Overall I would give the book a

high recommendation.

Well, I just got this from (1 month to get it delivered!) and am unimpressed. I've read it, and just don't feel any more ready for my trip than I did before. I also ordered the landmark guide, and if it ever comes, I'll compare it as well.... The pictures ARE lovely and it's a handy size for throwing in a pocket or bag. Will update the review after I return from St Lucia....
