Salad Of The Day (Revised): 365 Recipes For Every Day Of The Year

Synopsis

Chopped, tossed, shredded, composed—salads are versatile in both form and flavor. They're an appealing and healthy way to showcase favorite seasonal produce. From light starters to protein-rich main course salads to palate-cleansing accompaniments, these much-loved adaptable dishes can play a delicious role in virtually every lunch or dinner, every day of the year. This is a revised and revamped edition of Williams-Sonoma Salad of the Day—the bestselling 2012 title, including new images and over 90 new recipes. Williams-Sonoma Salad of the Day is a calendar-style cookbook that offers 365 enticing salads suited for any meal, occasion, or mood. Vibrant, fresh, and extremely versatile, salads are the ultimate expression of the changing seasons—and make a fantastic meal or side dish any day of the year. New recipes include Warm Gigante Bean Salad with Herb-Roasted Red Onions & Wilted Greens; Crispy Kale & Brussels Sprouts Salad with Anchovies, Parmesan Crisps & Fried Egg; Grilled Calamari Salad with Padron Peppers & Green Harissa; Herb-Grilled Lamb & Grilled Green Onion Salad; Crispy Eggplant, Miso Butter & Charred Sungold Tomato Salad; Carrot and Medjool Date Salad with Creamy Gorgonzola Dressing; Nopales and Hominy Salad with Skewered Pork and Pepper Kebobs; Black Olive and Calamari Salad with Parsley and Mint Vinaigrette; Fresh Horseradish Salmon Cakes on Wilted Greens, and more. Capture the essence of spring with a pasta salad featuring sugar snap peas and slender asparagus, or a seared salmon salad with pea shoots and watercress. Savor the flavors of summer with juicy ripe tomatoes and sweet corn kernels tossed with piquant blue cheese, or grilled summer squash on a bed of herbed rice. In autumn, enjoy a warm wild mushroom salad dressed in bacon vinaigrette, or tender chicken salad with crisp apples and toasted walnuts. During the winter, pair bright citrus fruits with skirt steak and peppery arugula, or earthy roasted beets and soft farmer cheese. Each recipe includes a complementary dressing recommendations or recipes, and helpful notes offer serving and substitution ideas. With this abundance of recipes as your guide, and the garden's yield as your inspiration, you're sure to find an appealing salad that fits the occasion, no matter what the day brings.

Customer Reviews

"There's a wonderful range of color and texture here; I get inspired by nearly every recipe!"

(Apartment Therapy's The Kitchn)"Best of all, [the book's recipes] all have a little

something—whether it's an interesting ingredient or a smart prep technique—that sets them apart from your average buffet sides." (Lynn Andriani, Oprah.com) --This text refers to an out of print or unavailable edition of this title.

Northern California and Provence, France

I have been looking for a book with salad recipes in bookstores and libraries. Each one had more recipes that I wouldn't use than I would. I checked the reviews for this book and it holds up to the reviews. My husband is a diabetic and many of the salad ideas are healthy and filling. Some of the recipes have the protein source along with the vegetable and grain. So many good recipes. While the few that I have tried so far have introduced me to new products the products were not hard to find or expensive. The wide variety will please everyone.

Don't buy this salad cookbook. The recipes are mostly very simple. Any averagely skilled cook could think up with these recipes on their own. One recipe was literally spinach leaves, sliced strawberries, and a very simple dressing. I don't need a cookbook for that. Also not enough pictures! I like a cookbook with pictures to accompany most recipes, this has about 1 picture for every 3-4 recipes. Not inspiring or interesting, unfortunately :(

Love this book! It's very helpful for beginner salad maker like me. I make at least 3 recipe from this book every week, and they taste great! The only thing I didn't notice at the beginning was the serving size for each was different. I thought it was set up for 2 people, but turns out most are for 4-6. I have never make salad at home before, and these are the salads I made by following the

instructions on the book.

At first I was a little upset that it didn't seem to have recipes I would like, but the more I read the more recipes I found. I've tried quite a few already and they are amazing! There's a pesto chicken pasta salad that is so good I have to make 2! One as a decoy for my husband, the second to actually bring with me to the party!

I love salads! This book has some really creative salads and they are easy to make.

Bought as part of a wedding shower gift and the bride and groom loved it

Lots of new ideas

Love this book! Lots of great, easy recipes year round!
