Lilly Noble & the Phantom Rush is a blast! Deborah McTiernan is a master storyteller! Her characters (love the names!) dialogue, plot, and description are all smooth and well-developed, and her polished writing style makes reading a pleasure. -Style Editor for Tom Bird's Publish Now Program Here it is. . .a manuscript (Lilly Noble & the Phantom Rush)I liked very much. Deborah is a fine writer, able to describe difficult environments easily and with flair. I loved the story and I loved the main character -- as well as secondary characters, all of whom were well-drawn and engaging. I thoroughly enjoyed this story and look forward to receiving the sequel.-Copy Editor for Tom Bird's Publish Now Program

Author Note: ã ã July 4, 2016Dear Reader,Everyone has within them the potential to be extraordinary. ã ã It's in our DNA.Warmest regards,Deborah

A great second book for the Lilly Noble series! The author's fertile imagination creates many unique twists and turns that kept me turning the pages and wondering what would happen next. A very entertaining and enjoyable escape from our real world problems.

Love this book! The constant battle between good and evil. My favorite character other than Lilly was Morgann, the stepmother who was very busy reeking havoc. My other favorite character was Nedrick, so sweet and brave. Lots of great characters that made me feel I had a personal relationship with each of them. The story takes the reader into the world of magic. I never could predict what Morgann, the wicked stepmother was up to, for example her taking shadows from humans. Truly an entertaining and page-turner from a talented author. Can't wait for book 3.

Exciting storyline, I couldn't put the book down. Readers will enjoy this second book about Lilly Noble's survival to save herself and those she loves in her hometown of Archer's Bow. The plot is surprising with twists and turns that had me staying up at night just to finish the book. The storytelling is amazing with scenes that made me feel I was a part of the story. The beloved main character had me rooting for her throughout as she battled Morgann, her step mother with all her destructive tendencies . I can't wait to see what happens in the next book!

Lilly Noble & the Phantom Rush is a wonderful continuance of Lilly Noble & Actual Magic. I don't think there is a single sentence in the story that lacks either action or excitement! The characters relate and intertwine in a manner that really keeps the plot moving at light speed. Each character has its own distinct personality. Deborah's book is a delight to read, and difficult to put down. I am truly looking forward to volumes three through fifty of Lilly Noble's adventures!

Couldn't put the book down. Can't wait for book 3. It's hard to wait so long between books. God Bless you Deborah and your tremendous imagination!
