This item is like traveling back to those times at church in childhood, thats why I rate it 5 stars. I like the fast and secure delivery. I recommend this to anyone who like those hymns from back those

times.

The product description says, "Los himnarios incluyen la m $\tilde{A}f\hat{A}^{\circ}$ sica." Not true. Lyrics only. Very misleading and disappointing.

I knew it would be soft cover, but I thought it would be a little bigger and a little better quality paper, however, I did only pay \$5.00 for it and there was a better quality offered. There was a song I was looking for that was not in the book, but that has nothing to do with , only the choices of the publisher. There are more songs there than I will ever be able to learn, so it's all good.

I wanted to buy a few for the church and I ordered 4. They come individually wrapped in plastic and of course they are filled with beautiful words to praise The Lord. Amen to that!
