Cool! Now I want to go to Iceland. In Iceland a lot of fun, which I didn't even know. Mountain Safari, Ice Climbing, Diving in Iceland. I didn't know that in Iceland dive. A lot of interesting stores for

shopping enthusiasts. I really want to see the Northern Lights. Also really liked the useful links in this guide. Very helpful and additional information at the end of the book. Huge thanks to Lars Johnson for his efforts. A must-read.

Iceland, I love this country. Iceland is incredibly beautiful nature. After reading this guide fell in love with Iceland. Now collect the money for the trip. Be sure to look at whales and the Northern Lights. Loved the description of Reykjavik. Be sure to visit the capital of Iceland. Also definitely visit the Blue Lagoon. Great guide to Iceland. Beautiful pictures. Suggest to all.

I think a very useful guide. First, you can read how to get to Iceland. Then become known where to settle. It is risen several options. I really liked that this chapter is provided with active links. What allows you to immediately open the official site and book a room. It's comfortable. In the book, a lot of necessary information.

I really want to go to Iceland, but I want to fully enjoy my stay there so I bought this book to make sure I end up in all the best places. I must say, this is a very nice collection with pictures of each place. I can't wait to go on my trip, next month!

One of my besties went to Iceland early this year, and I have always wanted to do the same. This book just gives you enough of an idea of the places you can go to when in Iceland. Kindles don't really do well for photos, so I wish it was a photo book. But it gives you insider tips on where to go and what you need to remember to do in each destination.

Travel to Iceland is my dream. Hope It becomes real soon! :) I really enjoyed reading this guide. Really useful information for potential travellers. I recommend it.

Perfect for my client for their trip to Iceland

I plan to visit Iceland. This guide contains a lot of useful information for the traveler. Thank you!
