The Kama Sutra Of Vatsyayana: The Classic Burton Translation (Dover Thrift Editions)

Synopsis

Kama means desire, love, and lust; sutra means teachings and "verses." The Kama Sutra, then, is the book of love, teaching the best methods of cultivating sensual pleasure, sexual desire, and loving union. A classic of world literature for 1,700 years, this is the most explicit and fascinating book ever written for lovers. This immortal work also serves as a window into Indian culture and mysticism. Its unique approach — combining meditations on politics and social customs with counsel on love and intimacy — features frank, direct advice on bodily pleasures, from aphrodisiacs and kissing to orgasm-delaying techniques. This edition is the renowned translation by the great 19th-century explorer and writer Richard Burton. Its crisp style sets a new standard for Sanskrit translation, and its unblushing faithfulness to the original text sparked controversy in certain corners of the Victorian world. A wellspring of erotic knowledge, it remains an inspiration to readers of every era.

Book Information

Series: Dover Thrift Editions

Paperback: 176 pages

Publisher: Dover Publications (July 21, 2006)

Language: English

ISBN-10: 0486452379

ISBN-13: 978-0486452371

Customer Reviews

“[The Kama Sutra is] tender, sage, and domestic.” —Fawn M. Brodie --This text refers to an out of print or unavailable edition of this title.

Text: English (translation) --This text refers to an out of print or unavailable edition of this title.

This book is an instructional book, Kama means love and Sutra mean lessons. This book is

teaching one the act of love from a 3,000 +/- perspective. A simple, natural and intimate way which many have forgotten. Puts life into a new perspective and opens one's own sexuality! Enjoy and take notes.

This is a clear and clean reprint of Burton's classic annotated translation. Despite some modern motivated and politicised translations cramming academic marketplace and accusing the Victorian scholar-traveler Sir Richard of mistranslation, his pioneering work still commands gratitude of readers, lay and specialists alike. My only criticism of this awesome work has to do with a single instance. I found his calling lovemaking "sexual congress" rather amusing, albeit not wholly inaccurate.

It's a great read and it shows me how 2 look at love from another perspective

It doesn't have illustrations; I would've avoided buying it if I got a chance to check in a brick and mortar shop. You can't condense a book like this, a classic that transcends time.

The book I received had the Kama Sutra cover, but Greek Mythology content written for little children! A complete sham. Someone's idea of a bad joke... or worse.

This is a very good translation. It is a real classic which can enlighten the student of culture. A great window into the antiquities.

This \$5 wasted! At the end it is announced that this 10% of the book. Maybe I accidentally brought a trial.

Interesting very interesting/a culture accused of belittling women...spent a lot of time studying how to please them how to know their moods etc.Very 50/50 and modern in its guidance.Of course you do have to interpret ancient culture to the times but that is a given I hope.
