# Ranches Of The American West (Rizzoli Classics)

## Synopsis

The American ranch embodies a rich architectural tradition that has been passed down through generations of ranchers. This book presents twenty-five of the most spectacular Western ranches, including important historical structures and those designed for today's newest ranch owners. With three hundred newly commissioned color photographs of ranches in Montana, Wyoming, Colorado, California, Oregon, New Mexico, and Texas, the book will appeal to ranch dwellers as well as homeowners inspired by this rustic and romantic architectural style. The original ranches included property for livestock and structures that were built to withstand the natural forces of a harsh climate. Today, as in the past, life in the West means long winters and a need for shelter that encloses and protects. House designs and rooflines mimic the forms of the surrounding foothills and mountains, and today's ranches often feature reclaimed materials—rubble, abandoned artifacts, cut stone, and forged iron—put to new use. Materials, often cut by hand, are basic and echo those used in past: logs, shingles and shakes, branches, fieldstones, sandstones, and flagstones. The prevalence of renowned architects and interior designers working in the West, as well as an increasing number of celebrity owners, demonstrate that ranch living is popular and on the rise.

## Book Information

Series: Rizzoli Classics

Hardcover: 288 pages

Publisher: Rizzoli (February 10, 2015)

Language: English

ISBN-10: 0847843947

ISBN-13: 978-0847843947

## Customer Reviews

This glorious volume showcases the finest American ranches, from century-old working ranches to

rugged new compounds designed for life in the West.

Linda Leigh Paul is the author of eight books published by Universe/Rizzoli, including Cottages by the Sea, The Cabin Book, and Haciendas.

I bought this book to source ideas for a build my family is about to embark on. This book is a wealth of ideas and information. I highly recommend it if you are trying to source ideas or simply interested in beautiful homes. It also makes an awesome coffee table book.

Bought this book for our daughter who works on one of the ranches listed. She has had fun going and finding the same spots that the old photos were taken and comparing to what they look like now. It's amazing to see some of the changes that take place in the landscape over the course of so many years. The book has wonderful pictures within and makes you wish you could ride out of the office and into the hills and explore. Some fun reading and little history lessons along the way.

Item arrived in god order and as anticipated.

One of the best and most beautiful books I have on ranches or on architecture. I highly recommend it!

Great addition to my library; seller is highly recommended!

Great pictures about ranches in America!! If you're a cowboy or cowgirl you'd love this book!!

the book and photography just wonderful

A great table book. It will make you pack up and want to move right away to the country...
