# The Kingdom Of Heaven Within You - Volume 2: The Teachings Of Meister Eckhart (Translated)

## Synopsis

What is the kingdom of heaven and how may it be attained? In these meditative sermons & tracts, Meister Eckhart elaborates at length upon the biblical teaching that the kingdom of God is within us— not outside, but within. He points out that the exalted state of heaven's kingdom is not merely something to be realized after physical death, but may be realized here and now as one allows God's presence to unfold in one's life. And this is the essence of Christian mysticism. He also gives us beautiful instructions on the proper handling of our own desires and their significance in our growth in the life of Christ. The following unique translations of Meister Eckhart's teachings are included in this volume: 1. Behold, I send my angel 2. And fear not them which kill the body, but are not able to kill the soul 3. On the equality of all things 4. While all things were in quiet silence

## Customer Reviews

Good start on the mystical life in Christ. Christianity has its own mystical tradition that is rarely seen. Most modern Christians seek a closer walk but are not sure how to get there. This book along with Vol 1 is a good start.

At some point every literate Christian or Buddhist should read Meister Eckhart, whose views on the spiritual grounding of our own vanishing identity are well worth meditating upon.

there can be no substitute for Holy Scripture, but Meister Eckhart is a sure guide to its deeper meaning. God bless his memory.

If anyone is serious about spiritual growth, Meister Eckhart is a must.

Great

I believe this is the fifth book which I have read regarding Meister Eckhart and probably the most complicated of all of them. There are passages that most people could read repeatedly and never come close to understanding; however, there are other passages that can be comprehended with more study, contemplation and review. It's been my experience that I can read Meister Eckhart's work over and over again and never tire of this great and inspiring mystic. As illuminated and spiritually gifted as Meister Eckhart was, a genuine humility and sadness but feeling of hope comes out of his writings. Meister Eckhart was not impressed with his great gifts and never viewed himself better than anyone else. The basic premise of his work is that all things exist in and from "God" and that we are not separate from all things. I would highly recommend this book.
