My 13 yr old granddaughter is multi-racial and I'm not. Neither I nor her Mother knew how to care for

this kinky curly hair. I read through this small book and took her ideas, argan oil and wow, now my 13 yr old granddaughter can straighten her own hair, there is no more crying and complaining that she can only wear a bun. Best part, no more going to the salon and handing them \$90. + for her hair to be straightened. I never thought a 99 cent investment could help her, best thing since sliced bread.
