Thinking Beyond Tomorrow: Organizing, Planning & Settling Your Estate

Synopsis

Thinking Beyond Tomorrow provides valuable information on Organizing and Planning your Estate, and on how to Settle an Estate. It covers traditional legal concepts and emerging legal areas like non-traditional relationships and same-sex marriages. Most of the focus is on Texas and Washington state law and on Federal law. Thinking Beyond Tomorrow is approximately 460 pages (105,000 words) and answers your questions about:

- Estate Planning - Wills, Living Trusts, LLCs, Survivorship Rights and avoiding Probate
- Estate Planning in Non-Traditional Relationships
- Planning for and managing your medical care
- Life Support Issues and Death with Dignity
- Planning for and managing your finances
- Protecting your Assets and your home
- Trusts to care for your Pets
- Gun Trusts
- Minimizing Federal Estate Taxes
- Gifts as an Estate Planning Tool
- Taking action when a loved one dies
- Settling an Estate and being an Executor

Written by Certified Elder Law Attorney Paul Premack (Texas) and Attorney Benjamin Premack (Washington & Colorado). Thinking Beyond Tomorrow was formerly called "The Senior Texan Legal Guide", but has been entirely revised, expanded and re-written for this new Eighth Edition.

Customer Reviews

This is your very own life manual on what you need to know about managing your family, assets and personal legal and financial matters that no one teaches you in school. If you do not have a regular dialogue with an accountant, lawyer and family councilor, this book will open your eyes to matters you will face prepared properly. Don't be unprepared for what ultimately happens to everyone in life! Very well written (appreciate the large font!) and applicable to anyone who cares deeply about the financial well being of themselves, partner, offspring...and even pets.

I purchased this book for my parents and they appear to be enjoying it.

You will enjoy it.

Very informative.

Concise yet thorough coverage. I found it helped to refresh and bring to the forefront the vocabulary I needed to address my concerns while facing end of life matters at the loss of my husband. After reading the book I felt more confident and my peace of mind return that our planning for the future was the best we could prepare for under difficult circumstances.
