Customer Reviews

Iyanla Vanzant has more than 8 million books in print. She is the author of five New York Times bestsellers including *Yesterday I Cried*, *One Day My Soul Just Opened Up* and *In the Meantime*. Iyanla Vanzant appears frequently on television and radio shows, including a recurring guest spot on *The Oprah Winfrey Show*.

With a message that could easily be expanded to twice this program's length, Iyanla Vanzant presents an audio lesson on how to brighten your attitude and your approach to just about everything. Relationships, past trauma and loss, difficult people, frustrating circumstances--all will become a pleasure to handle when you count your blessings instead of complaining and wringing your hands. The author sounds older, even wiser, than in her previous recordings; she has more authority to my ears, which helps her advice and well-crafted meditations sound vital and powerful.

This effective tool will help listeners discover a more positive self and be more resistant to life's ups and downs--past and present. T.W. Â© AudioFile 2006, Portland, Maine-- Copyright Â© AudioFile, Portland, Maine

I recently purchased this CD because of Iyanla's appearances on Oprah's Life classes. I know how important gratitude is in my own life and appreciate Iyanla's GIVING THANKS CD. This recording helps me maintain a daily practice of being grateful. The meditations are guided with visualization exercises, not difficult to follow.

All her books are very helpful
