Customer Reviews

My husband and I are going on an Alaskan cruise and we wanted to find out more about the cities we would be stopping in and what things to see while we were there. The book was very helpful in that it recommended places to visit and activities to do in each place.

Referred to this book many times on an Alaskan cruise last year and found it very helpful. I also ordered it for two of my sisters who also went on the cruise.

On time with lots of info
