The City Upon A Hill

Synopsis

Boston, "the city upon a hill" or "Beantown" as it is fondly referred to, is a hub of innovation, culture, education, architecture and long-standing American values. Whilst a transient city with students playing a significant role in the city's success, its residents recall its history as a forward thinking city that reinvented itself over and over again particularly during the American Revolution. This guide provides insight into the inspiring city and its history together with an itinerary of its culture, places to visit, food as well as local recommendations.
