Til Death Do Us Part (Kennedy Ink.)

Synopsis

Two weddings and a new guy! Kayson and Conner finally tie the knot! Because Kayson popped the question a whole ten minutes before Jody got the chance, his wedding is up first. It's everything they both deserve; complete with Kingsley shenanigans! Jody and Cameron also get hitched in a much more Jody and Cameron kind of way. Along the way, we also get a new guy into the shop, by the name of Felix Finnley; or Finn, if you want him to answer you. This is just a smidgen of their lives together as married men and the new guy before he meets his own hot guy. Come along for the ride, but beware! There will be a cliffhanger, albeit a small one, it's there. Finn- coming 7/1

Customer Reviews

It's a wedding day ! The guys are all decked out and ready to celebrate Kayson and Connor. A splendid day, a touching ceremony and lots of love. Perfect! I still remember Connor and Kayson's story, when Connor was punched and Kayson helped him. The whole family is present on this wedding day and it's fun to see everybody. Kingsley and Morgan, Kady, Jase and Joker, Jody and Cameron, and more. Later at the Kennedy Ink Shop, a new employee will be coming to town. He's

got a 2 yr. old girl, Lennon. Finn is a bearded bear, has excellent talent, a portfolio, and recommendations. Next up is Jody and Cameron's small wedding ceremony. Sweet ! Finn then steps into his new role at the Ink shop. Morgan is babysitting Lennon when she gets sick. The men meet up at the clinic. For Finn who hasn't been able to be "out" where he came from, it's making him happy to be in this comfortable, welcoming environment. And then - Finn is thunderstruck ! Yes, a cliffhanger....I love this series by the talented Jenny Wood. Great, larger than life characters we love, super hot sexiness and important stories to tell. Outstanding ! Engaging ! Meaningful ! Highly recommended. ENJOY !=====

We are cordially invited to two weddings are men are happy and we are introduced to another member of Kennedy ink. Finn and his daughter Lennon are the newest addition. We also have a new love on the horizon!! This is a piece of wedding cake, just enough of a story to get you addicted.

It was good to see the characters from the other Kennedy Ink books. Look forward to reading Finn;s story. And I really hope that there is more to Morgan and King's story

I am really enjoying this series. Well written with well developed characters. I am looking forward to what comes next.

Absolutely loved the weddings and each of the vows were just beautiful!! I'm excited and can't wait for Douglas and Finn's story!!

Everyone in the world should read everything Jenny Wood writes!!! My all time favorite ever it simply does not get any better than Jenny Wood!!!!!!

Love the whole Kennedy Ink series!
