Ms. Shull's biography of Georgia O'Keeffe is original, well written and interesting to read. Ms. Shull's carefully researched book weaves together facts and anecdotes to give the reader a complete portrait of a most complicated woman/artist. I thoroughly enjoyed this book and think that readers of all ages would find it interesting and enlightening. This book would be a great addition to everyone's library! BUY IT!!!

A very solid introduction to the life and works of Ms Okeefe. It's detailed without being excessively so. Great for any home library. An educational (albeit pricey) gift for artistic children and adults.
