Sue Stevenson is the acclaimed author and illustrator of more than fifty books for children and is best known as the illustrator of the popular Henry and Mudge books by Cynthia Rylant. She lives on Cape Cod, Massachusetts, with her little cocker spaniel, Gracie.

Cynthia Rylant writes wonderful children's stories for children who are just turning the corner with

their reading. Annie and Snowball books are so much fun to read.

The ever-prolific Rylant strikes again with another entry in her Annie and Snowball series. Annie, her pet rabbit Snowball, and her dad take a surprise day-trip to the country for a picnic. Eyecatching pen and ink and watercolor illustrations feel loose and colorful. Written in simple language for beginning readers, this might make a good "additional" book for Father's Day.

Cute story.
