# Pray, Praise, And Give Thanks: A Collection Of Litanies, Laments, And Thanksgivings At Font And Table

## Synopsis

Pray, Praise, and Give Thanks is a collection of prayers for use in worship composed by Gail Ramshaw, most of them never before published. The volume begins with three litanies, as well as a helpful template for constructing prayers of intercession. Then, because the Bible invites us to tell God of our griefs, we find six prayers of lament for evils that afflict us and our world. The next section gives us four thanksgivings at the font, prayers to be offered at baptisms and baptismal remembrances. Finally, a rich collection of twenty eucharistic prayers (thanksgivings at the table) completes the book. Pastors, worship planners, and scholars will all find this volume invaluable. Also included with the volume is a CD-ROM presenting the prayer texts, so that with ease and accuracy the user can insert these prayers into a leader's binder.

## Customer Reviews

Gail Ramshaw is a scholar of liturgical language and retired professor of religion at La Salle University. She served on the Revised Common Lectionary design committee and on the Church's Year editorial team for the Renewing Worship project that led to Evangelical Lutheran Worship. She is the author of numerous books, including *Christian Worship; What Is Christianity?* both from Fortress Press; and *More Days for Praise* from Augsburg Fortress.

An excellent addition to the "standard" Lutheran liturgies.
