The Magic Show Book

Synopsis

Abracadabra! Kids will amaze friends and family with this pop-up magic show book. The Magic Show Book becomes part of the show as young magicians craft their own wand from its pages and interact with props, pop-ups, and pull-tabs to perform card tricks, mind-reading predictions, and much more. Kids can wave their new magic wand to conjure up a spectacular show with easy-to-perform but sure to amaze illusions using coins, cards, dice, and rope. Watch and be astounded as they make a coin jump from one hand to the other, saw a (paper) snake in half, and much more. The book's special flaps guide them through tricks, and hidden instructions make the act as seamless as possible. The audience never sees the notes and the paper engineering is part of the magic. The Magic Show Book is a performance in a book, full of mystifying magic that will occupy kids and astonish audiences.

Customer Reviews

Gr 2-4 • This title is designed to allow the novice magician to present a complete magic show with ease. Though some of the tricks ask readers to supply their own playing cards, string, coins, and handkerchiefs, the majority of the illusions are built into the book, including a tear-out page to create a magic wand. The design is colorful and eye-catching, and each trick comes with illustrated step-by-step instructions for the performance. There are a number of playful flaps, such as foxes that transform into chickens when the flaps are lifted in a particular order. Other examples involve a wallet that will flip a bill from side to side, trick cards, and a paper snake that is

magically sliced inside its pop-up box. VERDICT The delicate nature of the movable parts and the many magic tricks that are dependent on removable pieces make this better suited for home use. — Kelly Topita, Anne Arundel County Public Library, MD

"[A] clever guide for young magic-makers." — Publishers Weekly
