# The HUNT Rome (The Hunt Guides)

## Synopsis

Rome is so much more than The Coliseum, Trevi Fountain and Vatican. It's a city of layers; in order to experience the authentic side of Rome, you'll want the inside scoop from a local. The HUNT team has donned their curatorial colored glasses and carefully selected around 100 unique local businesses that range from brand spankin' new to deeply patinated and way off the beaten track, funky and unexpected to chic and shiny. We'll help you negotiate The Eternal City and unearth it's hidden gems and local favorites. Over the last decade, our guides have become the go-to source for a worldwide community of locals and travelers who seek out genuine, intriguing independent businesses.

Livia Hengel is an Italian-American travel writer and photographer with a penchant for la dolce vita and a severe case of wanderlust. Originally born in Rome, she grew up moving around the globe and lived in the US, Peru, the Czech Republic, Slovakia and Turkey before returning to Italy and ceding to a life filled with art, beauty and plenty of carbohydrates. When she's not traveling or keeping up with Instagram, you can find Livia scoping out eateries in the city and extolling the virtues of cacio e pepe, her favorite Roman dish.

We totally used this when we were in Rome..the places were great! Highly reccomend

Fascinating!

By far the most original and useful guide book to eating and shopping in Rome I have ever come across, and I've lived here for more than 25 years! Quite a few places I already recognize, and love, but also lots of new suggestions which I look forward to discovering. Well written, with lots of unusual tips, and beautiful photos too. Very handy format, fits easily into a bag or even the back pocket of your jeans. Reasonably priced too. Don't come to Rome without a copy of The Hunt in your bag!

Excellent Guide. Whether you have been to Rome before or not it is a must have.
