Customer Reviews

I love short stories - especially well written ones. They're just long enough to give you a taste, but you don't have to stay up all night to get to the finish line. These Christmas short stories are just the thing when you need a break between batches of cookies and Christmas decorating. I'm going to put a copy in my Christmas boxes to read again next year.

Each story in Christmas Treasures is a gift that inspires the season, uplifts the spirit, and is full of chuckles. With 18 different short stories, you can experience the holiday festivities through traditions unique to the various characters' lives and locations. There is plenty of love and tenderness in these stories, as well! The collection is about giving, about celebrating family and friends, and about remembering God's love. I recommend it now and for Christmases to come.

This collection of short stories are exactly what I need in the hectic lead up to the Holidays. While I love Christmas, and Holiday time, many of us are stressed. Keeping up with work while juggling shopping, extra cooking, baking, sending cards and gifts, and other Holiday related duties can be stressful. If you find yourself stressed at Holiday time, this is the book for you. Each short story has a positive message. I have read two so far. Anne Garboczi Evans's "I Hate Christmas" is the story of Raquel, a sensitive young woman who was treated shabbily by her high school sweetheart, a selfish "bad boy" type. Chris, the man who adored Raquel in High School was barely on her radar. What happens during the Christmas Season eight years later is something magical, allowing Raquel to love Christmas again. Another story, "The Christmas Gift" by Karen Wingate, is the story of Jen, a young mother and pastor's wife, living in the snow swept Colorado high country. Jen wants a traditional storybook Christmas, but illness and worry about her children keep her on edge. Jen's worries about "what people will think about the pastor's family being MIA on Christmas are similar to what many of us worry about at this time of year. Sometimes life gets in the way of storybook traditions. However, Christ always comes, showing himself in ways we might not expect. I would highly recommend this book. I've been reading one story at the end of each busy day. I look forward to reading the stories because they show Christ in the lives of ordinary people.

Christmas Treasures is a compilation of numerous short Christmas stories written by a wide variety of authors. The topics vary as much as the authors, and there is something for everyone in this collection of brief reads. This is a sweet ebook to have available on your electronic reader for those times when you're relaxing with a cup of your favorite beverage. During this hectic season of gatherings and planning, shopping and wrapping, it's a nice little break to sit down and read a tale or two from this Christmas collection. Disclaimer: I received a copy of this ebook free from with no expectations for a review. All opinions expressed are my own, and no monetary compensation was received for this review.

My review is for The Littlest Wise Man, the 3rd story in the Christmas Treasures Collection. I haven't read all the rest, but I loved this, a beautiful story for parents who have a little one in heaven. Comforting and sweet.

Christmas Treasures is a beautifully written anthology of short, holiday-themed, romantic stories that will capture you and not let you go until you've read the very last page. I love a story that makes me believe the characters are my friends, then makes me miss them when the story is finished. Each one of the stories in Christmas Treasures does that. Don't wait for Christmas to roll around again. Read this book now. Read it more than once. Each author has wonderful talent that will keep you coming back time and again. A definite must have for your collection.

Delightful little bite-size stories of joy, reminiscing, forgiveness, and second chances. I read in little chunks while working out...one of the few times I stayed on the bike or the mill an extra couple of minutes to finish one of the tales. From the wounded man trying on a different uniform to the school marm trying to give a happy holiday in the midst of tragedy, to the parents who love their daughter so much, and the kindness of neighbors, this sweet stories are a happy way to de-stress in between preparing for Christmass

I love short stories at Christmas. These are the best love stories not just romance but true love. Watch story had something magical about it. They were also different but with a thread running through it of our Lorf
