# Highlander's Redemption (The Sinclair Brothers Trilogy, Book 2)

## Synopsis

Book Two of the Sinclair Brothers Trilogy  
He is on a mission  
Garrick Sinclair, an expert archer and Robert the Bruce's best mercenary, is sent on a covert operation to the Borderlands by his older brother, Laird Robert Sinclair. He never expects to meet the most beautiful woman he's ever seen who turns out to be the sister of Raef Warren, his family's mortal enemy. Though he knows he shouldn't want her and doesn't deserve her can he resist the passion that ignites between them?  
She longs for freedom  
Jossalyn Warren is desperate to escape her cruel brother and put her healing skills to use, and perhaps the handsome stranger with a dangerous look about him will be her ticket to a new life. She never imagines that she will be spirited away to Robert the Bruce's secret camp in the Highlands, yet more shocking is the lust the dark warrior stirs in her. But can she heal the invisible scars of a man who believes he's no hero?  
This full-length Scottish historical romance is part of the Sinclair Brothers Trilogy, but also can be enjoyed as a standalone novel. Pick up your copy today!

## Customer Reviews

I really wanted this book to be better than the first one.....and I think it is. Either I've become used to

her writing style, or it truly is a better book. There are numerous grammatical errors in this book, which causes you to stutter somewhat when reading, and Ms. Prince still tends to use too many modern day phrases that just don't go with the timeline. However, with that said.....I love the story. Garrick Sinclair is a tough, no nonsense highland warrior fighting for The Bruce and Scotland's freedom. Jossalyn Warren is an abused sister of an English boarder lord, who is cruel, mean and everything that makes a bad guy so easy to hate in a story. Raef Warren has been a thorn in the Sinclair's side for a long time.....he has attacked the Sinclair family holding.....he's murdered innocents, women and children and is a coward to say the least. He has tormented his sister Jossalyn, for being a healer and has physically abused her to the point she's desperate to find her freedom. Enter Garrick. He was sent on a mission by The Bruce to Dunbraes, where Warren is, as a spy along with another highlander, Burke. Jossalyn sees her chance with Garrick and the fun begins. The transformation in Jossalyn is very interesting, from English to Scottish rebel healer along with her confidence and self esteem. Garrick undergoes a few changes himself and between the two of them, there is plenty adventure, passion, excitement, lust and love. Good story and I do recommend this series even with all the issues I had with both books. Enjoy and happy reading....Cheers!

I enjoy this author's writing style. With her words you can feel the tension, smells and passion. I felt I was in the mist of fighting for Robert the Bruce. The only negative I have when they first make love, they just barely missed the English Army that took lives. They didn't know if they were near by or not. I thought as a Warrior our H would have used better sense. He does find a secluded place, but left his cousin all alone - not smart!! Since I loved how the romance between our H/h built, when they made love you felt it was more passion than lust!! I am not going into the premise, as many have explained that, but I have enjoyed the whole series so far and will be reading, book 2.5 and book 3. As in the last book one question remains hanging, not with our couple, but another character whose story is in book 2.5. I would say no cliffhanger's for our couple at least. You get intrigue, suspense, lovemaking, romance, no cliffhanger - all great in my opinion for a good book, plus HEA. (ljb)

After reading the first book in this series, I had to have the rest of the books in the series. Wonderful stories. Love the way Ms Prince writes and how all the books are so connected. Liked the historical aspects, too. Can hardly wait to finish the last two and there are more highland books in other series to look forward to.

I first read one of Emma Price's books in a box that once I read that story I would look at everything she's written to me she is outstanding I love every one of her books I really can't say anything bad about any of her books you get absorbed in and you can feel like you're a part of it you laugh you cry to me it's just outstanding if you haven't read any of her books do so the Sinclair brothers trilogy outstanding wonderful they kept me up at night because I just had to finish reading it prepared not to get much sleep because once you start you can't stop love all her books wonderful writer

Highlander's Redemption picks up right at the ending of Highlander's Ransom bk 1. Garrick Sinclair is a Expert Archer and Mercenary for King Robert the Bruce. He is brother to Laird Robert Sinclair of Clan Sinclair. Garrick and his cousin Burke have been sent to spy on Lord Raef Warren there mortal enemy. We meet Raef in bk 1. He is cruel to his sister Jossalyn and often physically abuses her with beatings and choking her near to death. Raef is a real piece of sick work. Disgustingly cruel. Jossalyn is a healer which her brother Raef hates and forbids her to do. She often sneaks off to aide the Scottish villagers with her healing. Which results in her brother beating her. Sneaking out of the castle on her way to the village she runs into Garrick and Burke. They are posing as Blacksmiths to spy on the happenings of Longshanks through watching Raef. Garrick and Jossalyn have an immediate connection. Raef has gone off visiting the dying King Longshanks Edward I to push his ideas of starting a war with King Robert The Bruce and to see if he can gain a barony. Jossalyn decides she will escape her brother and his cruelty by hiding in the wagon with the departing Garrick and Burke. Once she is discovered she is taken back to her village. But when Garrick and Burke see the physical cruel treatment her brother is inflicting on her alongside the roadway. They decide to intervene and grab her. The battle was a bloody one, but they get Jossalyn and make a run for it. Jossalyn soon finds out that Garrick and Burke are no Blacksmiths but Highland Warriors spying for King Robert. They fall in love as they travel through the Scottish Highlands to the Private Camp of King Robert. Once there she tells the King of her wanting to aide them with her healing skills and how badly she has been treated by her brother. The Sinclair Brothers Trilogy, reminds me a lot of the Brilliant and Excellent Highland Guard series by Monica McCarty, which is just Awesome!! I think maybe the idea for The Sinclair Brothers Trilogy came from the Highland Guard series. With that said I think Emma Price held her own and reinventing her own views of Specially trained Highland Warriors and there love interest. I really loved Garrick and Jossalyn. They were the ideal couple. Both intelligent caring and willing to build a relationship. There romance was sexy and very sensual. My only complaint is there was no real depth or character building. The love scenes while erotic enough seemed scripted and generic. There was a

Lack of Passion.If You like stories like this I would Highly Recommend The Highland Guard Series by Monica McCarty!! However I do Highly Recommend Highlander's Redemption too!!Reading Progress
