You Have What It Takes: What Every Father Needs To Know

Synopsis

You have what it takes, Dad. Every boy wants to be a hero. He wants to be powerful, he wants to be dangerous, he wants to know... Do I have what it takes? Every girl wants to believe that she is captivating, worth fighting for. She wants to know... Am I lovely? They look to you, Dad, to answer those questions. That makes you the most powerful man in your child's life. And as you will learn in this inspiring audio book, you have what it takes.

John Eldredge is the founder and director of Ransomed Heart Ministries in Colorado Springs, Colorado, a fellowship devoted to helping people recover and live from their deep heart. John is the author of numerous books, including *Waking the Dead*, *Wild at Heart*, *The Sacred Romance*, and *The Journey of Desire*. John lives in Colorado with his wife, Stasi, and their three sons, Samuel, Blaine, and Luke. He is an avid outdoorsman who loves being in the wild.

#1 best book ever written for dads! Moms will enjoy it too as it can help women see the value their husbands can offer their children. A father's role is vital to the development of their children and this book empowers men to see it and apply it. Best of all - it is very brief (like many men like) - takes only 20 minutes to read.

Thought this was the full book., not just a few pages. Was powerful & light reading. Great author and amazing advice I wish I knew years ago!

Every father needs to read this short book. It made me take a true look at how I treat my son and what I need to change.

If you haven't read *Wild at Heart*, you should just get that book instead of this. If you've already read Eldredge's most famous book, don't bother with this. It seems like it is basically a chapter out of that book published as a mini-booklet.

Is like a sip of water for the parents drying fatherhood. It really heals your soul and has the potential to change your children too

Excelente resumo dado pelo autor sobre aspectos muito importantes do ser pai. Awesome job done by John getting us to know the core what is important for fathers. I recommend it! If you looking for a quick starting point you found it.

I bought this book for my husband. He said it will completely change his way of parenting. It is a quick read, maybe 30 minutes, but the impact will make a lifetime's difference in the life of a child - even a grown up child.

Excellent booklet. Kind of a cliff notes version of *Wild at Heart* with a few extra thoughts. Quick read for a quick inspiration
