The Emerald Berries (The Adventures Of Sophie Mouse)

Synopsis

In this second book of *The Adventures of Sophie Mouse*, Sophie and her friend Hattie Frog go on a daring adventure through the woods in search of some special art supplies! In the second book in *The Adventures of Sophie Mouse*, Sophie learns about some special emerald berries that will make the most perfect color for a painting she wants to do! But the seamstress who's using the berries tells Sophie that they can only be found in one part of the forest: Weedsnag Way. Though that's far from home, and a little scary, Sophie convinces her best friend, Hattie Frog, that they will be fine. But all is not quite fine, and the girls get lost along the way! Thanks to the help of a squirrel who disappeared from Pine Needle Grove years ago, Sophie and Hattie find the emerald berries and their way home! With easy-to-read language and illustrations on almost every page, the *Adventures of Sophie Mouse* chapter books are perfect for beginning readers.

Gr 1&2 "Sophie Mouse lives in a sweet and whimsical world of adorably anthropomorphized woodland creatures. In this adventure, the tiny rodent desires a particular kind of berry that will create a paint color unlike any other. Adults may blanch as Sophie tells a small lie, treks through a

"dangerous" part of the forest with her friend Hattie, and follows a strange squirrel back to his home for tea. Issues of "stranger danger" aside, most independent readers will enjoy this gentle tale featuring charming black-and-white illustrations throughout.

Poppy Green can talk to animals! Unfortunately, they never talk back to her. So she started writing in order to imagine what they might say and do when humans aren't watching. Poppy lives on the edge of the woods in Connecticut, where her backyard is often a playground for all kinds of wildlife: birds, rabbits, squirrels, voles, skunks, deer, and the occasional wild turkey. Jennifer A. Bell is an illustrator whose work can be found on greeting cards, in magazines, and in over a dozen children's books. She lives with her husband, son, and cranky cat in Minneapolis, Minnesota.

I will be buying the rest of this series. Such a sweet book. 7yo loves to read them.

Love this series! It is awesome for readers who are ready for chapter books. The illustrations are very sweet!

These books are SOOO cute and fun stories for younger kids. My 6 year old loves to read these and even my 3 year old likes to listen to the stories and look at the cute illustrations!

I love Sophie Mouse! My daughter was so excited about reading her next adventure. I thoroughly enjoy the fact the the language is appropriate for a 6 year old. I don't have to "delete" bad words.

I have bought all of these in this series and the little girl reading them had been thrilled. She absolutely devours them and that says alot for books!!!!

My daughter likes it. She is 6, and finished in 2 days. I guess it is pretty easy read.

My 8 year old daughter is a reluctant reader, but she loves these books! Reads them in 2-3 days and can't wait until the next ones come out!

Sweet, age-appropriate stories
