Reaper: The Devils Guards Mc

Synopsis

Mial was sent to my brothers motorcycle club to cover his back and to make sure he stayed safe. Only to find the man of my dreams in his best friend and president Reaper. I am normally a person who likes to be alone and to watch over others of my family but today while I stare down at the Devils Guards president, I wish for only one thing. Please make him mine....Reaper! I'm one mean bastard when it comes to protecting my club and their families, but when I see this small delicate woman staring down at me from that water tower. I knew I had just found the woman who will be mine in all the ways that matter. I just have to get her to stay still long enough, so I can make her understand that was what was going to happen and there was no way of stopping it....

Book Information
