Puccini Arias For Soprano: Cantolopera Collection

Synopsis

(Vocal). Cantolopera is an exceptional series of book/CD packs from Ricordi that offers a fresh approach to great opera repertoire. The books include versions for voice and piano of the world's most famous arias. The CDs feature two versions of each aria: one with a 130-piece orchestra providing accompaniments to allow the professional, student or opera fan to practice, and another sung by an established artist for reference. Each volume contains the lyrics of the arias, plus a short plot summary and background information on the orchestra and the performers.

Customer Reviews

everything was good

This book has all arias I need.

Cantolopera's Puccini Arias for Soprano is an excellent book which provides everything you need, aspiring opera singer to amateur. The book includes a CD with all nine songs, first with someone singing, then with the full accompaniments. The book has the written music for each song, a section where the lyrics are fully translated, and a short summary of each opera. And for anyone who was perturbed that there was no listing of the arias anywhere: 1. O mio babbino caro (Gianni Schicchi) 2. Un bel di vedremo (Madama Butterfly) 3. Quando men vo (La Boheme) 4. Mi Chiamano

Mimi (La Boheme)5. In quelle trine morbide (Manon Lescaut)6. Tu che di gel sei cinta (Turandot)7. Vissi d'arte (Tosca)8. In questa reggia (Turandot)9. Senza Mamma (Suor Angelica)Also, on an unrelated note, for anyone who always hated photocopying music out of oversized books, these books are 8 1/2 x 11, as well as are thin enough to lay perfectly flat.Hope everyone enjoys this book as much as I do!

This is a wonderful collection of Puccini Arias. The sheet music for piano and voice is featured. As well as a cd with two types of tracks. One with the aria sung by an established and recognized Soprano and the other track with just the orchestral accompaniment. This is a very handy tool for recording cds in the studio and for learning the arias as well.

A must for any soprano opera singer! The music is clearly written and the CD has wonderful singers, as perfect examples of how the songs should be sung. Then it has just instrumental with a full orchestra as your practice track. Seriously what more could a singer want! I am hooked and want more of these books. I love that each song has the English translation and a small paragraph of what is going on in each song.
