# The Cowboy Takes A Bride (6 Inspirational Historical Romances)

## Synopsis

By Heather Blanton  
**MAIL ORDER DECEPTION** Brides of Evergreen Book 3 Ellie Blair wants a story—the one story that will make her name bigger than Nellie Bly's. She'll do anything to get it. Lie, masquerade as someone else—even walk away from love. But can a byline be worth the sacrifice?  
**A PROPOSAL SO MAGICAL** Brides of Evergreen Book 4 Evergreen's sheriff, Dent Hernandez, has to learn to live with love. Not an easy thing for a man who for years made a career of hunting down some of the worst outlaws in the territory. Can he find his romantic side and ask for Amy's hand in a truly unique, magical way? Or will a handsome, suave ghost from her past derail Dent's plan if he can even come up with one?  
By Tina Dee  
**LOVE'S GAMBLE** With no family left, Molly moves to the wild west to marry a stranger who makes his fortune panning for gold. What she didn't expect was his brother.  
**MAIL ORDER MIX-UP** To finance his dream of being a rancher, Henry planned to strike it rich by panning for gold. That was before Miss Josie Truett arrived at the mining camp. Will a mail-order mix-up and a pretty blonde spell disaster for Henry?  
By USA Today Bestselling Author Susette Williams  
**FREE TO HEAL** Kane Calloway swore he'd never let anyone close to him again, that way he'd never feel the pain of loss. Living a life of reckless abandonment has brought him face-to-face with his demons—no more running. Either he gets married, or spends time in jail—neither sentence is appealing, but if he stays out of jail, he can at least help keep two small children from going hungry.  
Newly widowed, Faith Masterson is struggling to keep up with chores while tending to her two daughters. Without help, which she can't afford to pay for, she and her daughters will surely starve by winter. After hearing about a new government program for women in her situation, she decides it is worth trying for the sake of her children. Will two destitute people be able to learn to love again? Or are they doomed to spend a marriage imprisoned by the loss they each encountered in their past?  
**MARSHALL'S BRIDE** Is Marshall Kincaid getting married? Maybe someone should have told him. Lizzie Neuman came to America filled with hopes and dreams for her and her husband. His unexpected death left her stranded in a new country. Not having anywhere to turn, she reluctantly responds to an ad for a mail order bride. Marshall never planned to marry. In his line of work, he had to worry about people he arrested in the past coming after him. He accepted the path he'd chosen when he agreed to become the sheriff. He never intended to put a wife or children in harm's way. So when Lizzie shows up in town, claiming to be his fiancée, and holding some letters supposedly from him, it doesn't take a genius to figure out something isn't right. Who knew enough about Marshall to write such personal

letters? Could this be an elaborate scheme to get revenge? Or is Lizzie the realization of a dream he never dared have?

## **Customer Reviews**

I have read many books by Heather Blanton. I love the Mail Order Deception and A Proposal So Magical are two of her books from the Brides of Evergreen that I have had the marvelous opportunity to read. You can't go wrong with any of her books. I just finished Love's Gamble. I have never read anything by Tina Dee. I was drawn into the story quickly. I'm looking forward to reading Mail Order Mix Up. I also have never read anything by Susette Williams but I did scan Free to Heal and Marshall's Bride and can't wait to get to them in this set. Take my advice spend the money on this set of books you won't regret it one bit. I receive complimentary books for review from publishers, publicists, and/or authors. I am not required to write positive reviews. The opinions I have expressed are my own. I am disclosing this in accordance with the Federal Trade Commission's 16 CFR, Part 255

Clean ,sweet, held my attention, and that says a lot! That said, I shall look for more of her books!. I definitely will look for more of

I just purchased this collection, but have already read Book 3 as soon as it came out. June is the time for weddings, romance, and new books to be released! Heather Blanton skillfully ties in history, romance, and God's unconditional and unfailing love.

Posing as a mail order bride is supposed to be quick and easy for Ellie Blair. She is a good reporter, not just the only female on staff! Her instincts are good and they tell her there's more to this story than meets the eye. Well developed characters and plot will please those already Blanton fans and create new ones.

This is a wonderful collection of six individual books by three inspirational authors. Each story is a clean historical based story with some inspirational insight without being preachy. Each story reads as a standalone novella that has mystery, suspense, angst, and love. There are no cliffhangers.

**MAIL ORDER DECEPTION (Brides of Evergreen Book 3) By Heather Blanton**  
**FUNNY, HEART-BREAKING, AND EVERYTHING IN BETWEEN**  
One female reporter hired to pose as a mail order bride and travel to Wyoming for a story and hopefully, to locate a criminal. One US Treasury agent undercover posing as a ranch foreman, needing to find a thief, make an arrest, and recover mint dies. What happens when two people who should have never met, are both under pretense, with a job to do and develop feelings for each other? **Did they have secrets? Were they wearing mask?** When the deceptions are revealed, can these two team up to get their man, solving this case for him and the exclusive story for her? Will this be the end of their tale?

**PROPOSAL SO MAGICAL(Brides of Evergreen Book 4) By Heather Blanton**  
**LOVE AND DUTY**  
One former US Marshall and now Evergreen's sheriff, Dent Hernandez, one schoolteacher, Amy Tate have become sweethearts What happens when an old friend from her hometown, Jeremy Dillard, shows up with a boxcar full of books for the town library but has more on his mind than just books? Two men both will make intentions known for Amy, both in law enforcement, one with an ugly past, but has honest feelings for her. Love comes in many forms, and even the Bible says no greater love than a man lay down his life, and one is willing to do that for her. Dent may not be polished like Jeremy, but when it comes to his love for Amy, he proves who the best man truly is.

**LOVE'S GAMBLE By Tina Dee**  
**YOU CAN BET OUR HEARTS**

ON IT Molly Adams is orphaned, and then her Uncle arranges for her to become a mail-order bride, sending her to Julian Creek, California will find her betrothed to a man who is missing. The story is full of angst, anger, misunderstandings, confusion, and even a forced wedding. Mr. Jeff Riley has sworn off women after he was jilted. He is making a go at farming and only wished his brother, Edwin, would join him. Eddie has a way of getting himself in trouble, and then Jeff ends out bailing him out. The newest fiasco for a mail order bride takes this immature behavior too far. Sometimes disasters can become a blessing.

**MAIL ORDER MIX-UP** By Tina Dee  
**FINDING AN ADVENTURE ALONG THE WAY** No good deed goes unpunished?! When Josie helps out the Riley family with their store, a misunderstanding on a rocker will come with a harsh letter. Then Josie's friend tells her about answering a mail order bride notice, and now the groom to be has sent money and a list of items to bring. Lucy is in a pickle and can't comply, but Josie, along with the Parson and his wife can travel up the mountain to the campsite with the requested items. What happens when the groom doesn't match up to the ad? There is plenty of angst between Josie and Boomer's partner, Henry, but that is what makes life interesting. Will Josie and Henry realize they are developing feelings for each other before it is too late? Sometimes love needs an adventure and a helping hand.

**FREE TO HEAL** By Susette Williams  
**THE LAW, GOD AND THE FREEDOM BRIDE PROGRAM FOR A SECOND CHANCE** This is book two in this series, where non-violent criminals are given a second chance to be redeemed after six months, but they will marry and be a productive citizen. The Sheriff will help in matching up the men to women, with her having the final say in the arrangement. Kane Calloway is a broken man after the death of his wife Rachel during childbirth, causing him to start drinking and fighting. Newly widowed, Faith Masterson lost her husband Tom in a freak accident, and she needs help for her and her two young daughters on their farm. Can these two broken souls help heal each other with God's help and a new lease on life? The story has very likable characters, heartwarming dialogue, and faith in God.

**MARSHALL'S BRIDE** By Susette Williams  
**NEVER UNDERESTIMATE A MOTHER!** What a shock when Sheriff Marshall Kincaid returns to town and is congratulated by his Deputy on his impending nuptials. What fiancée? Lizzie Neuman and her husband Jeremiah left Ireland for the new adventure he wanted in America. But life gets in the way and death came aboard their ship. Now what is a young widow with no family or means to do, she must offer herself as a mail-order bride. Her journey to House Springs, Missouri comes with many new surprises, and not all of them will be happy ones. How will Marshall deal with this unexpected surprise? Can marriage be a good thing for this lawman?

I am only partway into this set, but had to leave a review: The two Blanton books (A Proposal So Magical and Mail-Order Deception) are - as is the case with all her books, and I've read them ALL - really good. You get drawn into the story right away and you care about the people in them. I especially like how her characters do things that are "true to their nature", so you're not left wondering "why'd he/she do that? That's not like him/her at all!" And for a buck for the whole set, it's a real steal! I can't wait to read the next four books in this set -- they sound great!

'...and for a moment, Ellie was struck by the vast, sprawling ocean of green hills, punctuated occasionally here and there with groupings of lodge pole pines of ancient rock formations. Not far off, the Laramie mountains and their white tips reached for the sky.' 'One of the hands yelled go and Reynolds and Robbie commenced to wrestling, squirming, grunting and sweating as their arms teetered first one way then the other.' With word pictures like these (and many more ), how can you help but like the story?! The only story I've read so far is Mail Order Deception, but after this review, I plan to read the rest. Heather Blanton has a way with words. You are so 'there' on each page of each book she writes. I know you are going to like her books, as I'm sure the others are just as good, but I haven't read them yet. Look up Heather's name in the search box to read excerpts then buy the books. You'll be glad you did! They are so worth your time!!

So far I've read both books by Author Heather Blanton, MAIL ORDER DECEPTION Brides of Evergreen Book 3 and A PROPOSAL SO MAGICAL Brides of Evergreen Book 4. As always, I love Blanton's fun approach to her cowboy reads. You never have to worry about a bad storyline or character's you wish would have died off before print ;) Recommend this combination of reads for anyone who loves the west, cowboys, and just enough lovin' to keep you turning the pages!! I was given this set of books by the authors. All thoughts and comments are my own.
