Howie Wants To Play (I Can Read! / Howie Series)

Synopsis

In *Howie Wants to Play* beginning readers learn that God loves them no matter what. It's a lesson playful Howie learns after he makes some big messes. The fun illustrations match the tone of the story. My First-level readers will find this book to be as irresistible as Howie himself.

Customer Reviews

Nice read along with alot of exciting emotional narration from grandma. My 3 yr old grandson sits through the whole book.

Very fun story! loved it.

love it

Very good book for my 7 year old granddaughter.

Such a cute story. My 5 year old loves this book.

Very cute and has a good Christian message. My four year old loves Howie. I liked the added verse at the end.

We have 4 Howie books. My son loves each of them. He has me read them so much he can recite them!

the story is only fair/boring, but I am most annoyed that the end preaches about God. Why would you push religion in a kindergarten reader? Those stories are for church. Did you KNOW that in America today many people do NOT believe in anyone named "God"!
