Small Animal Soft Tissue Surgery: Self-Assessment Color Review, Second Edition (Veterinary Self-Assessment Color Review Series)

Synopsis

Presented in a question-and-answer format with all new cases, this new edition of a bestselling book provides a broad overview of small animal soft tissue surgery. Clinical cases appear in random order to simulate the way they might appear in an actual veterinary practice. Cases include photos, a description of presenting symptoms, and questions the veterinarian must answer in order to arrive at the correct diagnosis and to plan proper treatment. Complete answers are provided for each question. This practical structure with integrated questions, illustrations, and detailed explanations is designed to educate as well as to provide answers. Veterinary students, general practitioners, surgical residents, and specialists with an interest in soft tissue surgery will find *Small Animal Soft Tissue Surgery: Self-Assessment Color Review, Second Edition* an essential resource.

Customer Reviews

"A handy, portable and packed with a variety of small animal soft tissue surgery cases." *Veterinary Record* "Provides readers the opportunity to briefly, yet thoroughly, review key soft tissue surgical concepts in the field. An ideal resource for surgery residents in preparation for the board certification examination." Reviewed by Jessica Barrera, DVM, MS, DACVS, in *JAVMA* "It contains a broad spectrum and useful mixture of questions and comprehensive, easy to understand answers. Any prospective student from university through to advanced practitioner would find this book very helpful." *Ryan J. T Davis,*

BVMS, MRCVS

Not much reasoning

Great book .
