Customer Reviews

As usual this publisher make a great Calendar available each year for this genre. All of the photos are interesting, and are great for augmenting the reference books one buys to study the history of this railroad. Quality printing, good heavy paper.

What can you say, it's a calendar with steam engines and mountains. As usual, good quality pictures and all the features you want in a wall calendar (major holidays and the previous/next month shown for reference).

Good assortment of scenic, sharp images of the fabled Rio Grande narrow gauge in Colorful Colorado.

Excellent photos, customers in office have positive comments

I Love Steam Engine, and I have road this Train !!

Great pictures with excellent descriptive text.

Beautiful as usual!

Always a classic
