Customer Reviews

I hardly knew any of this awesome info! I can defidently (did I spell that right?) use this! You should so buy this superlative book! Or rent it! Or try a helpful sample! Anyone who needs to survive survival or hardcore or anything like that, this wonderful book is for you!

I loved this minecraft guide it was easy to understand, and has everything you need to play minecraft. I also loved that it didn't have all words. I would recommend this book to anybody who is sort of Good but still has a few things you don't know.

I didn't need anything out of this book but it would be pretty useful to beginners and I kindly stay thank you

I liked it it was sorta helpful but you have to Wright a review but you would like the book it will start you off from begging to end.

I rated this book five stars cause it give helpful tips fore minecraft and its information is cool. I highly recommend this book for those who have trouble for would like to learn more about minecraft.

Told me things even I didn't know, and I have been playing for a year. I would definitely get this if you are experienced or New to the game.

My grandson loves Minecraft and this was a great guide for him to make the game even better. It has loads of information for any Minecraft player to help further his game.

Useful for beginners. Overall the book explained the basics and I do think starters should get this book. But if you are an experienced player I don't recommend getting this book.
